[F4A][Script Offer]Closer[acquaintances to dating][seduction][sweet manipulation][for your own good][saving you from heartache][earnest][whispering][kissing][references to Hitch movie][All's fair in love and war][mutual hand-job/fingering][adults]

Dummy tag, Gonewildaudio, audio script, F4A, acquaintances to dating, seduction, sweet manipulation, for your own good, saving you from heartache, earnest, whispering, kissing, references to Hitch movie, All's fair in love and war, mutual hand-job/fingering, adults

**[SYNOPSIS:** You (the listener) are hung up on your childhood friend and wishing you could get her to see you a different way. You want to tell her how you feel, but something is holding you back—somehow you sense she doesn't feel the same way, but you can't get her out of your mind anyway. When ANOTHER girl (the speaker) who you literally ran into in the library at the beginning of the semester approaches you while you're walking across campus, you don't know what to make of her. It turns out she shares a class with you, and she's really cute too. She gets to asking you some questions, and discovers you like your best friend and don't know how to approach her to ask her on a date. This girl offers to help teach you how to ask her by example. She cites the movie Hitch, and tricks you into getting "Closer" to her while she ostensibly teaches you how draw your best friend in for a kiss. The truth is, though that this girl REALLY likes you, and she's not only earnestly trying to save you from making a mistake with your childhood friend, she's trying to get you to notice that SHE is standing right in front of you. Eventually she coaxes you into kissing her, and things get even more naughty from there as she makes you cum on the landing of an outdoor stairwell of the Psych building where no one is around. In the end, you realize you have a choice to make—do you pursue the impossible dream of trying to coax your best friend into becoming your lover, OR do you surrender to the flesh and blood reality of a kind and beautiful (albeit slightly tricky) girl who's standing right in front of you. **WARNING: This is an alternative to the usual "friends to lovers" story, in which a character endures the pitfalls and heartache of unrequited love with their childhood friend, while at the same time discovering something much more magical with the girl who's right in front of their face. If you're looking for a story in which two childhood friends fall in love with each other and live happily ever after, this one isn't for you—but there are different flavors of happily ever after. Sometimes we just need a little push to wake us up from our wishful dream and see the very real opportunities we might have missed.**

[PERFORMANCE NOTES: While this girl is a bit manipulative, she believes she's doing it for a good reason. She EARNESTLY believes the listener would making a mistake pursuing their friend. That said, she likes the listener... and her "All's fair in love and war" comment is kind of the heart of her story. She's not afraid to go after what she wants.... I recommend walking that tight-rope, but remembering that while she's manipulative, she's also very earnest--she doesn't have a cruel bone in her body.]

----- START-----

[tentative, but friendly] Hey... hold up...

Yeah... I'm talking to you. [giggle]

Do you have a second?

Do you remember me?

Oh, well... we met... kinda.... a few weeks ago. At the library? I'm the one you ran into, next to the copy machine, first week of the semester. Remember?

Oh, no [giggle] It's okay! My leg's fine. I remember you were with that other girl...

Yeah!

Well, confession time... It turns out I'm actually in one of your classes too.

Yeah! Really! You probably haven't seen me there, but... I sit, like a few rows behind you in uhm... intro to media class.

I hate it... heh. The class I mean... It's just too big, you know? I just... I need it for my major, so...

You hate it too?

Yeah, it's hard, right? Anyway, that's not really why I stopped you out of the blue like this. The reason is I've been kinda wanting to talk to you... but it's always such a zoo getting in and out of class, I just... it felt too awkward.

And today I just saw you walking, and I thought... now's my chance. Uhm...

Yeah! I don't know... I just... wanted to say hi. Without my leg hurting, or... without all those people around, so...

Hi. [giggle]

Oh my gosh, I must seem like some kind of stalker, huh? [giggle]

I'm not a stalker, I promise.

I just... I get these feelings about certain people, and I kinda get super curious to talk to them, to see what they're about. So... [giggle] here I am.

So, is it okay if I walk with you?

I don't have class right now, so I can go wherever you're going. Is that okay?

Ok, good. Thanks!

So, uh... Where *\*are\** we going? [soft laugh]

Freshmen comp? Oh! That's a few buildings down, right?

Okay! Lead the way...

Yeah!

So uhm... what's your major?

Cool! Mine's Broadcast Journalism. It's... you know... it fits. I'm pretty outgoing, and I like talking to people, and I guess I kinda want to be on TV.

Hm?

Oh, thank you!

Wow, that's so sweet.

Yeah, it does help to be pretty, I guess.

No, I'm not offended! I mean, I'm taking my classes super seriously, and I'm working really hard, but you're right. Looks matter when you're going to be on TV.

No, I'm flattered, really! [giggle] That gives me hope actually.

So, that girl at the library you were with... is she your girlfriend?

Sorry! I'm like Mike Wallace---I'm very direct.

He was a famous TV journalist. He died like ten years ago. Anyway, if I'm going to be an investigative reporter, I can't be afraid to ask tough questions. [giggle]

So? Is she?

Oh, not really...? How do you mean?

Oh...

Aww! That's sweet!

[no sign of jealousy—she's playing it totally cool]

You grew up with her?

Oh, so, you two must be really close, then huh?

[genuine interest—no judgement] Wait, what's that? What does that shrug mean?

I mean, you don't have to tell me. I'm just asking questions.

Do you like her? Like... for real?

Aw...

Does she know?

I'm sorry! I'm just... I can't help it! I'm curious, okay? [laugh]

Seriously, I'll stop! You can ask me questions if you want.

What do you want to know? I'm an open book...

I don't want anything! I promise! Honestly! I just... sometimes I get feelings about people, and I just... remember you from the library, and I've seen you in class, and... I thought I'd try to talk to you.

If you want me to leave you alone, I understand.

It's really okay?

Ok... well, then tell me more about your friend. [giggle]

I'm curious!

She's pretty, huh?

Yeah, I remember from the library.

Oh, come on, don't do that. You're one of those people who doesn't realize how attractive you are, aren't you?

It's honestly annoying. [giggle]

I'm kidding! Just... trust me, okay? She is \*not\* out of your league.

Anyway... so you haven't asked her out?

Why not?

Oh...

Yeah, that can be weird. Growing up together and being such good friends.

I mean, if you're that close, there's a good chance she's already sensed that you're interested. Maybe she already knows. Maybe she's just waiting for you to do something.

[authentically empathetic] Got it. That's really tough. You've been friends for a long time, and now you kinda like her, and you don't know how to get her to see you another way.

I mean It could be that's just how it is. It's hard to make that switch, you know?

I told you... [laugh] I'm good with people, that's what's going to make me such a good investigative reporter...

That... and I'm pretty... like you said...

[giggle] Yes you did. Don't back pedal! You can think I'm pretty and still like your friend. It's not a sin, okay? [giggle]

Anyway, I totally get it. That can be a really tricky problem. You don't want to mess up your friendship, right?

Right! And even if you do end up trying it, it can get really awkward and make the friendship all weird.

And honestly, there can also be that insecurity factor going on. A comfortable familiarity kind of thing.

No, what I mean is, you already know her. You like her... and it may seem like, because she's just right there, it would be easier than finding someone new... but really, it can actually be a lot harder.

Has she ever given you any indication that—

Uh-huh...

Well, of course she cares about you! Of course, she wants you to be happy. She's your best friend.

No but this is about you, though. Thinking there's no one else out there for you is kind of an illusion. It's this self-induced anxiety a lot of people, especially shy people... you know... get trapped in—that this is their only chance. That there isn't anyone else who would like them that way... or want them, you know?

But that's just not true. Sometimes it IS easier to start with somebody new... someone you don't know. Someone you haven't discovered yet. So that whatever relationship you develop with them can grow more naturally into a romantic kind of thing. Without all that history of a childhood friendship getting in the way.

I mean, I'm just kinda talking out of my butt, right now... [laugh]

I really don't know. I'm not a psych major or anything.

Anyway, I can tell you really like this girl. You know, your friend?

And I think that's really sweet.

Some people really do get together that way. They're friends and then they become something more...

And if that's what you want, that's cool.

But I guess... what I'm really asking? And this is probably going to seem like... I'm the most insensitive person ever, but... I have to ask the tough questions... [giggle]

Uh... If \*I\* were to ask you out, uhm... what would you say?

Uh-huh...

Oh, you're so sweet... thank you.

Ok... yeah...

[not disappointed—just going with it] No! That's fair. You like her, and you want to ... give that a chance first.

I totally get that. Yeah. I can't compete with that. [giggle]

No! I don't, actually. [giggle] I'm totally fine.

I actually kind of want to help you! Like, if I can.

I mean, if you'll let me.

Well... I'm obviously pretty intuitive, right? [giggle]

So maybe I can help. You know?

Like... let me see... uhm...

There... come with me over here, okay?

Just up these stairs here... it's kinda private up here.

Okay... so we're just on a landing on an outdoor stairwell at the... what is it? The Psych building. No one's here... it's just us.

So, I want you to pretend that I'm her. I'm your best friend, right?

No come on... Just trust me, okay? [giggle]

[getting quieter and more intimate] It's just you and me... I mean her... your friend. Talking. No one else is here. You're alone.

This is your chance... to tell me.... to ask me...

So, what would you say?

Well?

See? You don't know what to say, do you? But that's okay. That's kinda my point.

Sometimes, it's better not to say anything.

Have you ever seen that movie Hitch?

[intimate, non threatening] You know... The one with Will Smith? It's kinda old now. My dad likes it.

He cries every time. [giggle] Yeah, well... have you seen it?

Yeah? Well, do you remember the scene where Hitch is talking about how to go in for a kiss?

He says you go ninety percent of the way... and let her come the last ten.

You don't have to say anything to her... you just have to get close to her...

And let her figure it out for herself.

So... look at me...

Look at my eyes...

[whispering] Now get closer...

[quieter] Closer...

Closer...

Good...

Okay... now, back up... [giggle]

So, that was... okay... but let's work on it, alright?

What... [giggle]

Are you okay?

No, I'm just saying, that was \*pretty\* good... but we can do better.

So, let me ask you something. What were you thinking about just then?

Nothing? [giggle] What do you mean, nothing?

Weren't you thinking about your friend?

Yeah... [soft laugh] that's what I thought.

So, uhm... did you think about how she smells? Or? Did you think about her eyes? Or... did you think about how much you liked her?

Ok. You don't remember?

No, that's good! Being in the moment is good! That's what we want...

But I just felt like you were a little nervous, you know? Like... you weren't sure about what you were doing? Right?

[doesn't wait for an answer] Right. [giggle]

See... that's no good. If you want to be with a girl like her... you have to be totally confident in what you're doing. And if you're not, you have to fake it.

So. let's try it again, okay?

I'm your best friend... You're with me, and we're alone...

[whispered] Just a couple of close friends, in an intimate moment during a beautiful, breezy day on campus...

You \*really\* like me... and...

You want to see if I like you too....

Look at me...

Look at my lips...

Closer...

[quieter] Closer...

[Intimate whisper] Closer...

Do you feel my breath?

Can you smell my lip gloss?

Just stay right there...

[tiny giggle] good...

Now back up.

[more normal voice] Better! See?

[hitched breathing] That's uhm... [flustered] better... Heh.

I actually believed you liked me that time. [giggle]

Strong, confident eyes... like you knew exactly what you were doing.

See what I mean? Sometimes, all you have to do is PRETEND you believe in yourself.

Do you get it? That's how you're going to win her over.

You \*deserve\* her.... You're a good person. You could have anyone you wanted... [giggle]

Well... okay, that's a total lie... Maybe not ANYone...

Maybe not even her...

She's the one who has to go that last ten percent.

All you can do is ask her.

What's wrong? [soft laugh]

You look... confused. Are you okay?

Are you sure?

Because we can stop if you want to... I know this is weird...

Like... You don't have to listen to me... You know your friend way better than I do.

Do you think she'll say yes? Do you think she'll go that last ten percent?

[half whispered] Wrong answer. [giggle] That was a test!

You have to \*believe\* she will.... Otherwise, she definitely won't.

Trust me... I know what I'm talking about... okay?

So... do you want to try it one more time?

Now... This might be a strange thing to say. [giggle]

I mean, I know you don't know me very well...

We kinda just met, didn't we? [soft laugh]

But... I kinda feel like we're friends now.

Don't you?

Not like you and she are of course, but still. I think you're my friend. Right?

[giggle] Good. I'm glad.

Okay... last time...

You're out with me... your friend.

[half whispering] Maybe you don't know me as well as you think you do.

You certainly don't know EVERYthing about me... right?

Like... whether I like you the same way...

Or... what I might look like in a pretty dress when we go on a date...

What it might feel like if I smiled at you... knowing how you felt about me...

[down to a whispering] What my face might look like ... when I have an orgasm...

[calming] Shhh... Sh... [whispering] Just trust me...

Look at me...

Look at my face...

Now... get closer....

Closer...

[very serious] Closer...

[soft whisper] Close your eyes...

[she kisses the listener—intimately...]

Mmmm... wow... [soft giggle]

[kissing... more intense]

It's okay... It's okay-it's okay...

[kissing]

See? This is all you have to do...

[kissing]

Do I taste good?

[kiss]

I know I'm not her, but...

\*I\* ... \*really\* like you...

You don't have to wonder about me...

You don't have to convince me...

[kissing] [heavy breathing]

Do you hear what I'm saying?

[kissing—light moan]

[whispering] Give me your hand...

Here....

I want you to touch me...

Shhh... It's okay... it's okay...

Reach under my skirt...

Can you feel? [giggle]

[kissing]

Do you feel how wet I am...?

That's because of you...

Not anyone else.

Just you... being you...

You don't have to be anyone else with me...

Touch me...

Please?

It's okay... it's okay...

Kiss me...

[kissing]

Oh my God... I've been thinking about this all semester... [giggle]

I know I'm bad... I know you like someone else, but...

[breathing] I don't care...

All's fair in love and war, right...? [giggle]

Oh god... [kissing]

I can feel how turned on you are...

Stick your finger in me...

I want to touch you, okay?

Oh wow...

Oh... [heavy breathing]

Oh my god.... [moan]

No one has to know...

It's just us... in this moment, right now, okay?

Do you like me?

Oh... thank you... I like you too....

I get these feelings about people, you know?

Oh god... I want to feel you cum....

Oh, rub me...

Oh my God, do you want to see me cum?

Oh God... look at me...

Closer...

[moaning, desperate] Closer...

[panting] Kiss me...

[kissing as she cums... moaning... slurping... messy kisses as she cums]

[She keeps kissing the listener, and finally finishes]

[breathing hard-recovering] [giggle] Are you okay?

Honest?

[whispered] Oops... I think I need to wash my hands now... [giggle]

You know what?

Maybe this is just me, but...

I think... it's the things we \*don't\* know about each other... that are the most exciting.

[more normal voice as she steps back] Anyway... I can't compete with a girl you've known since you were kids. [giggle]

And if you still want to try to get with her, I get it. I won't say anything.

It's just... a lot of times, those things don't really work out the way we want them to, you know?

And I guess I just wanted to show you that...

She's not your only option... [giggle]

Not even close...

Okay?

Okay...

[jokingly-sarcastic] Well, I think I've done all the damage I'm going to do here.

[laughing]

Right?

So, I'll leave you alone and let you go to class now.

You know where to find me...

See ya...

[brief pause]

What?

What's that?

[soft laugh] Wait... Are you asking me out?

Really?

Tonight?

[joking] Are you crazy? We're just friends...

[laughing] I'm just kidding.

[serious] Seriously... Are you sure? I know I kinda tricked you a little...

Okay, a lot. [giggle] But I really don't want to get in the way. Honestly. [earnestly] Are you sure?

Okay.... In that case... I'd love to... [giggle]
