[F4M][Script Offer]Tuatha de Dannan U: Eldrial – The Scary Cute Half-Pixie[sex-positive]references to [cheating] girlfriend [size difference][average cock appreciation][little wings][sparkle-glow][humiliation][itching powder][Pixie Dust][prank][unseelie]but wants to be [seelie][creampie][self-namecalling][playful punishment][manipulation][weaponized cuteness][poly-amory][adults][see post for tag breakdown]

Dummy tag, Gonewildaudio, audio script,

**TAG BREAKDOWN:** *Some of my audio scripts do not follow the “listener as active participant” paradigm, and even when they do, some of the tags I call out above are in reference to the listener and some are in reference to other characters in the story (including the performer). In order to ensure clarity about specificity, and in hopes of fostering an environment of inclusiveness, the following is a breakdown of the tags in this audio that apply to the listener, and those that do not.*

**TAGS THAT APPLY TO LISTENER:** [F4M] – The listener is or presents as male and references are made to his average cock, (that feels big to her because she’s so small) [size difference][average cock appreciation] [manipulation][playful punishment][creampie] – The listener is seduced / corrupted / manipulated by the speaker, but in a very cute way. He’s appreciated for his average size cock and is much taller than the speaker.

**TAGS THAT APPLY TO NON-LISTENER CHARACTERS:** [F4M][size difference] – The speaker is or presents as a half-pixie female and references are made to her short height (4’8”) and her small pussy. [little wings][sparkle-glow][humiliation][creampie][self-namecalling][playful punishment][weaponized cuteness] – the Speaker definitely uses her cuteness as a weapon to manipulate the listener, but she’s also earnest in her affection for him. [cheating][itching powder][prank][humiliation] – A third character who is not directly participating in the story, the listener’s ex-girlfriend, cheated on him, and was pranked by the speaker with itching powder and pixie dust (described but not “seen”).

**[SYNOPSIS:** A very sex-positive and openly poly-amorous half-pixie named Eldrial (the speaker) at Tuatha de Dannan University approaches you (the listener) in the hallway. You two are friends, or at least you were until she pulled a really humiliating prank on your girlfriend. Eldrial flirts with seemingly every guy she meets in the hallway, but eventually manages to coax you into a dark AV room where she explains that she pranked your girlfriend because she was cheating on you. She engineered her break up with you for your own good. You’re pretty pissed, but she is incredibly cute, and uses her cuteness and cleverness as a weapon to get you to come around—seduce you and coax you into fucking her right there in the A/V closet just on the other side of the door to the busy school hallway. Eventually you cum

inside her, and even though you know what you have with her will never be exclusive, Eldrial really is trying her best to be seelie... despite generations of unseelie in her family. Considering her expertise at manipulation, she's still got a long way to go... **WARNING: Eldrial is a bit of a handful. She's cute, she's sweet, and she's sex-positive, BUT she's manipulative, and is probably not the kind of girl your parents would want you hanging out with. It's even a little unclear just how "seelied" she is in this situation... Still, she's WAY cute, so... you probably won't be able to resist her. All I'm saying is... watch out. Despite her small size, Eldrial might be a little too much to handle for a nice guy like you...**

[SCRIPT FLIPPING: Despite appearances, this script can be fairly readily flipped to F4F. Change the guy names to girls, and maybe change the flavor of her interactions with them. Instead of referencing listener's cock, you could either reference her hands and have the listener finger her, OR you could reframe things a little to make it a strap on. I'd be happy to assist if you want to flip the script to F4F. Just send me a message on reddit.]

[PERFORMANCE NOTES: It's important that Eldrial not feel outright mean or vindictive. She's not malicious. Her primary motivation is to be playful, sexy, and help those she likes to enjoy themselves, while teaching a lesson to those she feels slighted by. She's sex-positive and very flirty, and ultimately, she's a trickster. She's a pixie, it's in her blood. But unlike her mother, Eldrial is not out to hurt humans, at least not on purpose. She really is just trying to have fun, and honestly doesn't completely understand that the collateral damage of her pranks can come off as cruel and humiliating. She's, you know... still learning to be seelie.]

Hey... [said as if she's saying, "I found you!"]

Oh, come on, don't be that way!

Where are you going?! [giggle]

Wait up, wait up! Come on, talk to me!

What's wrong?

Is this about what happened at the party the other day?

Come on, I told you I was sorry about that! I'm sorry I left you there in the middle of a conversation, but I saw that guy, Gray walk by, you know from the Unseelie court? He's super cute, and he's like \*really mean [whispered] in the best way. [giggle] And... Well, you know how I am! I'm a huge flirt, and I get distracted! I'm sorry, okay? You were there with your girlfriend anyway.

[aside] Hey Michael! Lookin' HOT today! Seriously! [giggle]

Oh! Well, thank you!

Oops, I'm doing it again. He's getting away! Gotta go! Bye, Michael!

[catching up to him] Hey, hi!

Hi. [giggle]

Look, I get why you're upset, okay? We're supposed to be friends. I can be a little flighty! And sometimes I can make my friends feel... I don't know... a little ignored, and I didn't mean that!

Well, I AM half pixie, you know! Flighty kinda comes with the territory.

Come on, we're still friends, right?

Still friends?

[surprised and disappointed] Why not?

Well, what did I do then?

[pause] Oh... that...

Well, see... Ok... but that wasn't me, though. [playfully] You can't prove anything.

The dean certainly couldn't... [giggle]

Ok, can we not talk about this here?

No, I'm not admitting anything... I.... I just want to talk to you about it... not here.

Come on! Hold up!

It was just a harmless trick.... Whoever did it was probably—

Ok... it wasn't completely harmless, but your girlfriend well, I mean your ex-girlfriend...

Seriously... she needed a little wake up call...

No, where are you going?!

Hiya, Tristan! Sorry, I can't talk right now! I've got a situation here, okay? Okay [flirty] see you later? [giggle] Okay!

Hey... hey! Wait, wait. [running to catch up—breathing hard]

Wait, hold on!

Just because you have legs that are twice and long as mine doesn't mean you can get away from me! [laugh]

My wings are still good for something you know! I mean, I can't fly, but they still help give me a little boost when I need it!

Hey!

[softer so people don't hear] Hey... Just... Seriously.

I want to apologize. For real, okay?

I know it was awful for her...

I mean, at first, I just thought it was funny. But I was talking to some of my human friends...

[aside] Oh, hey Lowell! How's your brother? Tell him hi for me, okay? Okay!

[back to listener] Sorry... Sorry! What was I talking about— Oh, yeah! Anyway, I was talking to some of my friends, and they were like, "Eldrial, that was awful, okay? Like, you just don't do that to somebody!" And then they explained why, and I was like... okay... I get it. That was bad... It was really bad.

[offended] Juvenile!?

[takes it like a good girl] Ok, Ok... you're right. I deserved that. But I'm half pixie, okay? We ARE juvenile sometimes. It's what we do! I know humans don't totally understand but— pixie's gotta pixie, right?

No?

Rise above what?

[frustrated] Yeah, well that's what I'm trying to do! You don't understand what I'm dealing with—

Well... yeah, but—

Yeah. I know she dumped you. I'm really sorry about that, but what you don't understand is—

No wait, just listen! There \*is\* a “but”, and it’s a pretty big one! Can you just give me a chance to explain?

But can we get out of the hallway, I keep seeing people I know, and I have to say, “hi” you know how it is...

Speaking of which, [flirty, as if she’s about to start drooling] helloooo... Kevin. Is it just me, or... are you looking especially tall today, Kevin? [giggle]

Me?

Oh, thank you!

No... it’s just the same ol’ me... four foot, eight as always... [giggle]. I think this is as tall as I’m gonna get.

But yeah! I finally found a sexy dress that doesn’t make me look like a 4-year-old! You really like it?

Aw, thank you!

Well, then maybe I’ll see you later...

Okay, bye. [soft laugh]

[satisfied sigh]

[silent pause]

What?

Oh, come on! I have to say hi to Kevin!

He’s my pal! Plus... he’s so hot, you know?! I just love tall guys...

Look at him!

[playful sarcasm] Thank you... thank you for pointing that out. Yes, all guys are tall to me.

And that’s why I think all the guys are hot! Duh!

What’s wrong with that?

Wait, wait! Come on... We obviously need to talk. Let’s just, uhm... [distressed] Mmm...

The library? No, we can’t go in there.

Because there’s a thing... going on.... [obfuscating]

I saw some unseelie girl take this... burn book in there. You don't want to know. Just trust me, you don't want to go in there right now.

Come on, let's go in here...

I KNOW it's an AV closet!

[whispered] You know... These facilities people at the university... they're so funny! They installed these new quote, "Fae proof" locks. [chuckle]. Gimme a break. They don't know who they're dealing with.

Come on, we're not gonna get in trouble. I'll have it open literally in a second.

[OPTIONAL SFX: Quick, easy unlocking the door] It's bing bang boom! Just like that!

[OPTIONAL SFX: Door opening] Just come on, please? We're not going to steal anything. I just... I need to talk to you... in private. It's important.

Shh... just act casual and get in here. No one'll notice... [giggle]

What are you scared of?

Me?! What do you mean? We're friends... Trust me.

Come on, just get in here!

Thank you.

[OPTIONAL SFX: Door closes]

There. See? No more tall-guy distractions. [giggle] Except you!

Hey, it's dark in here, huh?

Uh-oh! I don't think the lights work.

Well, you try them then.

I did not mess with them! Did you \*see\* me do anything? [giggle]

Do you want some light? Because I can make some light.

I mean, I'm half fae, I might as well be good for something right? [giggle] Here....

I can glow a little... and sparkle... See?

I bet you didn't know I could do that, huh?

Creepy? You think so?

Oh [disappointed]...

But... It's just me, you know?

I think I look cuter when I do it...

[sigh-giving up] Look, I know you're mad at me. I'm sorry, okay?

I admit it. I did it.

It was just a little bit of itching powder [under her breath] I mean... mixed with some Pixie Dust... [giggle]

But I want to explain. She deserved it!

I don't think you realize... your girlfriend? She was cheating on you.

I am NOT lying!

She was, though!

You know that guy, Mark? The guy she's been studying with for their ancient Fae literature class. You've seen him with her, right? Quote "studying" unquote?

Well... I'm sorry to be the one to have to tell you this, but... they were having sex.

How do I know? Well...

I just know, okay? I'm a pixie... I mean, half-pixie. I know a lot of secrets—about a lot of people. I'm really good at it, okay?

No... it's... not important how I found out. What's important is that... You're better than her...

Come on, think about it... she had been acting differently lately, right?

She wasn't doing as much with you anymore? She started putting off spending time with you?

That's because she was spending it with him.

I told you. I just... KNOW things, okay?

Besides, it may seem like I'm all just fun and games, and flirt and giggle, but... but I'm half human too, you know.

The truth is, when I found out what she was doing to you, I got pretty upset.

What?

No! That's different! Look, everyone knows I'm a big flirt, okay? Everybody knows I'm kind of a slut, and that's okay. At least I'm up front about it. I'm not trying to pretend I'm being monogamous to anybody! She was! And she was lying to you! She was cheating!

Hm?

Ok, well, you tell me! What would the human thing to do have been? Should I have just told you about it? Cuz you're my friend?

Or maybe I should I have just... kept my mouth shut?

Either way... I'm not human, okay? [giggle] Not totally.

So... I wanted to teach her a lesson. And pixies do that by playing tricks on people.

I wanted to make her pay.

I'm not, like, totally proud of it, but... I wanted to humiliate her. [giggle]

So... I went over to her dorm at like... 2 in the morning while she was asleep... I mean the door was locked, but I was in there so fast I didn't make a sound. Just like today. I'm really good at it, and I can be quiet too. Anyway, I found her underwear drawer, and ... I put this highly concentrated itching powder that I had infused with pixie dust into the crotches of each pair.

No, all it took was a little bit... she wouldn't have noticed it was there. Just a tiny sprinkling of white powder she couldn't even see. [giggle]

And then I left...

Do you know what that stuff does to you? [hold back giggles]

It's really bad! [giggling]

I'm sorry. I'm sorry! But it was too funny! The Pixie Dust gives it a delayed reaction, and it kinda makes you horny too. So, she didn't even start to feel it until she was already in class...

She was like, dancing around, lifting her legs and sticking her hand down there trying to itch herself cuz it was so bad, but the best part? She was like... super wet too—cuz of the Pixie Dust! She couldn't hardly control herself in this classroom full of students! [giggle] You could smell her! It was just... too intense. [giggle]

Anyway, she ended up running to the bathroom, but by then it was way too late! [laughing]

You know what I think? I think she couldn't figure out whether to wash herself, or finger fuck herself! [laugh]

No, but she deserved it! She was cheating on you!

She was fucking that guy! Mark!

I'm telling you; she was! She still is!

I just know, okay?

And you wanna know the best part? She knew I did it.... Everyone \*knew\* I had done it... but... she couldn't prove it.

She tried coming at me, she called me names. She called me a slut. She even tried to threaten me, but [giggle] gimme a break. She can't do anything to me.

[surprised] Why? Because! I'm way more clever than she is!

Well... except today... I mean, I really shouldn't be telling \*you\* any of this.

But... I did it for you.

Come on...

I did you a favor. She dumped you, right? Because of me? Because we're friends?

Oh, come on, don't say that! Of course, we're still friends!

I know you defended me.

Because I just do, okay? [giggle]

Anyway, it was for the best. You don't want a girl like that in your life.

A girl who has sex with another guy behind your back. I mean, she's pretty but... she's not worth it.

Besides, why don't you just admit it... you kinda like that I did it...

Seriously! I know you're smarter than that. You \*knew\* she was cheating on you. You didn't need to see her do it, or... have evidence. You just knew, right? But you were just too afraid to call her on it, probably because she's so pretty.

Look, it's okay. Guys can be kinda stupid like that... I understand.

But admit it... you liked what I did. This tiny Fae girl doing that to her... making her suffer like that... Making her itch... uncontrollably with no real way to stop it. Your cheating girlfriend, panting and sweating in a public bathroom... practically leaking cuz her perfect little cunt is crammed with pixie infused itching powder. [giggle]

Humiliating her? That turns you on a little, doesn't it?

It serves her right.

You can admit it. I know things, remember?

I know things about you, you know... secrets...

I know you think I'm a bad little pixie girl...

You wish you could be more like me... don't you?

So...

Do you want to fuck me, or not? [giggle]

What's the matter? Are you scared of me? [gentle laugh]

Here, I'll hop up on the counter...

And... I'll lift my skirt up... and I'll show you my pussy...

See?

Have you ever fucked a fae girl before?

Well... don't you want to?

Do you want to fuck a bad girl? The kind of girl who could do something like that... and giggle about it?  
And get away with it...

[breathing hard]

Do you want to be inside me?

I promise, I'm not doing anything to mess with your head! [giggle]

I can't do that.

This is all you! I can see how hard you are...

So, why don't you fuck me?

I mean, it's no secret... I like getting fucked ... [giggle]

I like that you're tall, and you know what?... [giggle] even if you're not especially big... your still big to me. You know what I mean?

To a pixie girl...

I want you to stretch my little pussy open.

I want you to fuck me for being a bad girl... [giggle]

Please?

Yeah, [breathing heavily] that's it.

Take it out. Let me see it...

Oh my god... [panting-giggle]

Yeah... grab my legs....

Come on, don't be gentle...

Force them apart...

Squeeze them...

Oh, stick it in.

Fuck me...

Fuck me for humiliating your girlfriend...

[giggle] [panting]

[OPTIONAL SFX: clattering of stuff on the counter as he fucks hard into her]

Ohh... yeah... force my legs open...

Fuck me...

Tell me I'm a little pixie bitch... [giggle]

Oh god, I am, aren't I?

Oh fuck... [panting and moaning]

Oh... you know... My mom was unseelie...

Do you know what that means? [groan]

Oh, well, it basically means, she wasn't very nice to humans. [laugh]

[grunt] Ah... she would play cruel tricks on them for no good reason. Like the itching powder / pixie dust trick? Who do you think I learned that from? [giggle]

Ow! Fuck! Yeah... fuck me harder with that big cock...

And the thing is... her mom was unseelie too.

And her mom's mom...

[groan] Oh! So... you can see... the kind of... generational pressure I'm dealing with...

But... I'm trying to be better... you know? I want to break the chain.

Oh, God, yeah!

I want to be seelie.

And... [grunt—breathing] I know I'm not very good at it, huh? [giggle]

I mean, I am still a pixie...

My wings may not help me fly, but I'm still my mom's daughter...

And I can't help myself sometimes...

[fucking/moaning] I think I can do better, though... think I can do it...

Ow! Fuck that hurts so good...

My pussy is so tiny, and your cock is so big...

Oh, I deserve to get stretched open, don't I? [giggle]. Oh, for being a bad pixie girl?

The thing is... I think I'm still seelie. I mean, it's not like we don't play pranks... it's just that...

[grunt] Oh! We only do it to people who deserve it.

[panting—as she builds toward climax] And your girlfriend... she deserved it.

Tell me she deserved it... [moan]. Tell me I'm seelie....

Oh, your big dick is gonna make me cum!

Are you gonna cum too?

Oh, fuck me then!

Fuck me...

Oh... god... I'm gonna cum.

OH! Fuck! [she cums—releasing in strained moans trying to be quiet and then giggling]

Oh my god [heavy breathing, recovering]

Wow, I love guys... [giggle]

Oh my god...

[earnest] That was sooo good.

Wasn't it?

[laughing]

I know... I know...

[whispered] I'm a slut.

No, it's okay. That's what I am.

I like it.

You know what else I like? That I finally managed to tempt you into fucking me. [giggle]

Come on, don't feel bad... it's what I do. It's not your fault!

No! I wasn't lying to you! All that was totally true! She did cheat on you...

Go ask her...

Come on, I'm seelie remember? I had nothing to do with that.

[slightly manipulative with cuteness] Besides, even if I did, you can't stay mad at me... can you?

Look at me! I'm like, literally sparkle-glowing right now!

[playful laughter]

See? You're laughing!

You like me!

Seriously, I promise. I'm just messing with you. I only play tricks on people who deserve it.

What?! Why am I impossible! [laugh]

Yeah, well, that's just what you get with Fae girls. We like to mess with people...

Always keep you guessing! [giggle]

Anyway [satisfied sigh]. That was great! That's really all I wanted to talk to you about, so... I guess I better get to class.

Hey, but you know what? Maybe I'll see you around...

Stay sweet, okay? I don't want to have to play a prank on you too... [playful giggle]

Anyway.... It's gonna get dark in here, so... don't trip or anything.

See ya!

[OPTIONAL SFX: Door opens as she exits]

Hey! Warren! Wait up! Wait up, I want to talk to you for a second, okay?

[fading sound as door closes]

What'r'you doin'? You going to class? [giggle] I'll walk with you, come on!

[OPTIONAL SFX: Door closes]
