Dummy tag, Gonewildaudio, audio script, trans/sissy affirmation, dressing up as a woman, shaving, makeup, sister's best friend, dress to feel sexy, mutual masturbation, learning together, trans acceptance, lucky to be a girl, college, aftercare, adults

[SYNOPSIS: You (the listener) are planning a quiet night at home while your parents are out at the theater and your sister and her best friend (the speaker) go out to the dance club for the evening. You find your sister's friend in the house with you as she waits for your sister to drive back for the weekend from State university. You two get to talking, and somehow the conversation drifts toward how it feels to be sexy, and what it means to FEEL sexy, particularly as a girl. Your sister's friend intuitively senses that you're interested in trying cross-dressing, and you admit to her you're not sure if you're trans or not. After your sister calls and says she's not going to make it into town after all because of an accident blocking the freeway, your sister's friend gently convinces you to try dressing up like a woman to see how it feels. She encourages you to shave your legs, and shows you how, and gets you several things to try, including silicone breast inserts, a wig, and some makeup, which she applies for you. When you're all dressed up, she encourages you to give in to the idea of "feeling sexy" and to touch yourself, while she joins you in a short round of mutual masturbation. In the end, this becomes a very honest and open conversation of woman-hood, trans-ness, and acceptance as both of you learn a few things about both yourselves and each other. Without even realizing it, she gives you the ultimate gift—the feeling of belonging. "Let's be girls together," she says... and so you are. **WARNING: This is a very honest script in terms of how a conversation like this might happen. It includes all the missteps and awkwardness, tiptoeing around language, and many other challenges that the exploration of gender identity can bring about, but ultimately, this is about two very kind people who are trying their best to connect with each other. And they succeed. This is NOT meant to exemplify or be prescriptive for anyone else's trans experience.**]

[PERFORMANCE NOTES: Be kind... be vulnerable and be earnest. This girl is acting on her own instincts. She doesn't at all realize (until the end) what a unique gift she's giving to the listener. She doesn't understand that by inviting the listener to be a girl with her, she is offering a kind of acceptance and intimate connection with the female gender that is the stuff of dreams for trans women. Beyond, that it's all in the script.]

[SFX: ALL SOUND EFFECTS ARE OPTIONAL! The only sound effect called out is the phone buzzing or ringing. This is COMPLETELY optional. There are suggestions about “makeup sounds” but those are, again, also TOTALLY not necessary. If you fill this without one sound effect, it will still work beautifully.]

----- START-----

Hey, you!

What’s going on? Long time no see!

Oh, I’m just waiting for your sister. She wanted to meet here before we go out tonight.

Your parents let me in before they left.

Yeah, I heard she didn’t leave until late, and she got stuck behind some accident on the freeway. I wish she hadn’t had to go to college upstate, but that’s where she got her scholarship, I guess. [laugh]

I mean you like the U, right?

Me too! But I guess State has a better dance program... so... Oh well.

She said she probably won’t be here for another hour. I thought about going home, but... pfft. I’d just have to turn right around and come back.

So, what’s up with you?

You’ve got the house to yourself tonight, right? Your parents are going to that play, and your sister and I are going to the nightclub, so... what are you going to do?

Oh, wait... I heard you have a girlfriend now... [playfully teasing] Do you have a hot date?

Oh... she broke up with you?!

That sucks.

[genuinely] Why?

Did she say?

Whoa.... That's harsh.

Not man enough? She really said that?

What do you mean, she's not wrong?

Of course, she's wrong!

You're a great guy. Look, she doesn't deserve you anyway, okay?

Well, if you're not going anywhere, come sit down with me. I'm a guest. Entertain me. [giggle] I've got at least an hour.

Hm?

Oh.... My dress? Thank you. [bashful giggle]

We're going to the club, so... I thought I'd wear a club dress.

The only problem is that I have to like... make extra sure I keep my legs crossed when I'm sitting down, you know? [giggle]

Yeah, it's **really** short.

We're doing this twinsies thing tonight—we baited each other into wearing really short, tight dresses. It's a whole stupid thing. [giggle]

I don't know. Just because. It makes us feel sexy, I guess?

Well... yeah, I guess I do. [soft laugh]

No, it's not weird that you're asking... I mean, okay, it's a **little** weird, but...

[nervous] Wait... why **are** you asking?

You don't want... I mean ... you're not trying to ask me out, are you?

[relief] Oh, whew! Okay. Good. I mean, I like you, but... not like that, you know? You're my best friend's brother! [giggle]

Sorry! Wow, now I'm really embarrassed!

Hm?

Oh, no, I don't mind talking about it! Let's see... do I feel sexy in this dress...? I mean... yes... I guess? Because I know guys are going to look at me, and kinda... maybe get stupid around me? You know? I mean, I don't know, maybe they won't. But short dresses tend to make guys all flustered. And I kinda like doing that, you know? [giggle]

Do I what?

Wow, what a weird question...

Do I turn *myself* on?

[genuine confusion] What do you mean?

Oh... [contemplating] Huh.

That's interesting. Like... you mean, just by dressing up and being sexy?

[intrigued] Gosh, I don't know!

Not really, I guess? I mean, it's cool to know that I look good, and that I'm shaved, and that I nailed my makeup and everything. But, really, it's still just the same ol' me, you know? It doesn't really turn me on to BE sexy? It's more like... it turns me on to think of people *reacting* to me being sexy, you know? I guess....

I mean, I'm not sure. Is that what you meant?

I've never really thought about it before! [laugh]

You're a deep guy! Like... you really think about this stuff, huh? What about you? Do you turn *yourself* on? When you like... dress in a fancy suit or something?

Well, you know what I mean! When you dress up...

Wait... guys don't really do that, though, do they?

Actually... that's not really fair either. The guys at the club usually *kinda* dress up. I mean, they try anyway. At least they're not wearing ratty jeans or exercise shorts or something! [giggle] Some of them look really good, though! Like... those tall guys who work out, in their tight, clean shirts with kinda strategically unshaved faces? [giggle] I like those kinda guys.

The thing is, a lot of them are gay, though! Or bi...

I mean, not all of them, though! You know...

Sorry! I'm rambling! [laugh] Uhm!

I mean, you did ask, right? But you didn't answer yet, though! Does being sexy turn you on?

Come on, you started this. It's your turn!

Wait... I'm lucky? How am I lucky?

[not understanding] Yyyeahh... I'm a girl...

So...? How does that make me lucky?

[pause]

[quietly] Oh...

Oh, wow...

Wait... [whispered] Are you talking about cross-dressing?

No no! Don't be all self-conscious!

No, this is fascinating! Have you ever tried it?

You know... dressing in girls' clothes...

Come on, tell me. Please?

No? But like... do you want to?

Really?

Wow... that's really cool!

No, I won't tell anyone!

I *don't* think it's weird! I do have questions though! Cuz I'm like... confused! [giggle] Can-can I ask you questions?

Okay! So, would dressing in girl's clothes turn you on, do you think?

Do you think you're like... just a cross dresser? Or, are you a sissy?

Or wait... are you trans?!

It's okay... you can tell me...

You don't know? Okay... that's cool. I like... know just enough to be dangerous. I don't really understand all the subtleties of it. But... you're still like, attracted to girls, though, right?

Or do you like guys?

Both? Wow, okay...

That's so weird!

No no, it's just interesting! You know?

[SFX: Phone rings]

Oh shoot... hold on... your sister is calling me.

Hm?

Oh, come on, I promised, right? Of course, I won't say anything!

Ok, hold on.

[answers phone] Hey! What's up?

No, I'm just hanging with your brother. He's being an excellent host!

It's no biggy. [giggle]

Oh?

Uh-oh.... Okay...

[mock whining] But we were supposed to go dancing... [giggle]

No, it's okay. I'm just kidding.

Alright. No... I don't want to go by myself. I'll figure it out. Maybe I'll go home and watch a movie or something. Make popcorn.

I just... You made me put on this ridiculous dress for nothing. [giggle]

No, really, I'm just messing with you. It's fine!

Okay. No biggy! See ya later! Bye!

[hangs up phone]

[sigh] Welp... no club for us tonight.

Yeah, she's staying up there. That accident on the freeway... it's just, crazy, so she found a way to turn around and go back.

Smart.

Anyway... uhm....

I guess... uh... I guess I'll go?

[pause]

Unless....

You know? [giggle] I have an idea....

Do you want to try it?

[whispered] Dressing up!

I mean... your sister's room is right in there. She's got a whole closet full of clothes...

I bet she's got some stretchy stuff that'll fit you...

[conspiratorially] Come on! We're here by ourselves... no one's going to judge you, let's just try it!

Don't worry about her. She's got so many clothes! This is the stuff she DIDN'T bring with her to college! I'll just tell her I borrowed some stuff. She won't miss it. [giggle]

Come on, I'll help you! Please?

I'll do your makeup and everything!

Let's just go take a look, okay? I won't make you do it if you don't want. Come on. Give me your hand. Let's go!

[OPTIONAL SFX: Walking toward room]

I know she's got some underwear and stuff too, and I've got some makeup in my bag, just in case. [giggle]

Oh, come on, don't be scared!

Ok, here... let's check the closet.

See?! Look at all this.

Okay... [humming while looking through clothes] No... No... Not that one...

Here! Oh, this is perfect!

It's a club dress like mine, but I know this one is too big for her! We talked about it.

I think it'll be super cute on you!

Yeah! Come on...

Oh, wait... Uhm... The problem is though, that... well... you'll need to shave first.

No, you're legs!

No, no... Trust me, you don't want hairy legs wearing this thing! [giggle]

Come on, please!?

Come on, I'm your friend! Do it for me. Please?

I SO want to see you in this dress!

Yeah!?

Okay, let me get you set up in the bathroom! I'll show you how to shave your legs!

No, it's no big deal. I mean... you have to be careful of razor burn, but... well... you know, beauty is pain. [giggle]

I'm kidding! Well.... not really. But... it's not that bad. Sometimes that's just what being a girl is like.

Here, I'll show you. Take this shaving cream. Yeah. Now... Oh! Take this too... You'll want to cut the hair down a little with this electric trimmer first to make it easier. And then you may need a couple razors cuz this is your first time, so take these... yeah.

Now... mine are already shaved, but here, I'll kinda show you on mine, okay? I won't do it for real, just... showing you with the blade covered.

When you put on the shaving cream, you don't need much, but the water needs to be warm. And when you're shaving your legs. You want to go up... with the grain like that. See? And be really gentle... don't push too hard, okay? Careful around the knees... like little strokes like this, right? Around all the bones and ligaments and stuff.

Yeah, you just... Take your time, and you know what?

Here, gimme your hand...

Come on, just gimmie.

Touch my leg.

There... rub it, see? See how soft it is? That's what we want, okay?

No! They'll look just as good, trust me! [giggle]

Got it?

Okay, you work on that, and I'm gonna go out real quick and get some stuff for you, okay?

Just a few things I don't have here.

Trust me!

I'll be right back!

Isn't this exciting though? You're gonna shave your legs! You want to be pretty, right? You want to be sexy? Does that turn you on? Being sexy like a girl?

Okay! Well don't... uhm... you know... touch other stuff... [giggle] Just... shave your legs for now, okay? I don't want you to lose your nerve!

You know what I mean!

I'm saying just don't get distracted! Be a good girl and just ... shave your legs. [giggle]

I'll be back in a few minutes.

Okay. Bye!

[shouting from behind a door] Hey, I'm back! I got some stuff for you, okay?

How's it going? Can I come in? Are you decent?

Cool.

[SFX: door opens]

Aww! Wow, are you done?

Wait, can I feel?

Oh... wow! That's really good!

Gosh you've got really nice legs! I'm jealous! [giggle]

Oh, stop it! Mine are just okay. [laugh]

Okay, but... we really need to get you out of that male underwear. We need something more feminine, okay? Here, I found these in your sister's drawer... they should stretch to fit.

Put them on.

I'll turn around. [giggle] Geez, here... Just put them on.

[pause—humming absentmindedly]]

Have you got it yet?

Can I look?

Aww! That's so CUTE! Oh my gosh!

No, no, it's perfect!

Here you wanna see mine?

Here, I'll lift up my skirt.

See? We're twinsies! [giggle]

Ok, that's enough of that!

Let's get you into this dress, okay?

Oh, did you shave your underarms too? You're gonna wanna make sure you—

You did! Aww, look at you! What a good girl!

Ok here... put it on.

[gently] No no-no, you've got it upside down...

No, it goes.... Yeah! Good. There you go!

It's gonna be really tight, okay? But that's the whole point.

Yeah, good... good. It's okay, just stretch it on. It's fine.

Pull it up... good. It's made for this, I promise.

Okay... wait, I got you something at the mall.

Here! They're little breast inserts!

Silicone, yeah. Don't worry, they were cheap. They just... fit right here... and here... and your dress will hold them in.

Go on, pull the straps up.

There! Perfect. Oh yeah, I know they're cold, but they'll warm up really fast.

Gosh you look really good!

Like... REALLY good!

I'm serious! You look super sexy!

You kinda even look, a little slutty. [giggle]

It's okay though because, like... I look slutty too!

I went *shopping* in this dress. What do you think people were thinking! [giggle]

I mean, your legs are just like so long! You put some heels on, and oh my god, you're gonna look incredible!

But first ... I got you some stuff, okay?

Well first, I got you this wig? Here... I mean, you can grow your hair out if you want, but that'll take a while, so I got you this cute little bob wig. I think it'll look really good on you.

Do you want to put it on?

No... No, come on, please?!

Here, I'll help you. It's not that hard.

Ok, just around here... and it holds here... and here.

Oh, and you want to make sure all your hair is—

Yep... good.

Oops, got a little sticking out there.

Good!

Oh my god, that is so cute!

You know what? You almost look like a real girl.

[slight gasp] Wait, I didn't mean... [distressed] like... maybe you already *are* a real girl. If you're trans, you know?

Sorry!

No no! I really want to say it right!

I don't mean real girl, I just mean, you look *really* good, that's all.

Okay?

Y-you know what I think will make you look even better?

A little makeup... [giggle]

Yeah!

I'm serious. Come on. Sit down... Just trust me.

Here... face me.

Good.

Look at me...

Look at my face, okay?

Do you see my eyes?

We're gonna make your eyes like mine, okay?

It takes a little work, though, so you have to be patient. But again... being a girl...

It just takes more work, you know?

We don't just wake up like this. [giggle]

[NOTE: During the makeup application, things get more intimate. She is revealing something—letting her “in” to a girl’s world—it should be reassuring and quieter with half whispers, etc]

[OPTIONAL SFX: Throughout makeup application you could add little sounds of the eyeshadow case opening / closing... the lipstick top, the clatter of the eyelash curler on the counter, etc. TOTALLY optional, but if you feel like it, it should be subtle and just a little here and there, but it will add to the intimacy and immersion of the scene]

Okay... close your eyes... We'll start with some eye shadow.

Ok... good... good.

No no... don't move. Stay right there...

Uh-huh... Perfect.

Okay, open your eyes. Good.

Just some work on the side... feathering out... we want to go a little smokey, but not... like... super skanky, okay?

Close [as in "close your eyes"]... there... Mm-hm.

Open... good.

Wow, that looks pretty good. That's a lot better!

There. Now, uhm... eyeliner.

Now, eyeliner is scary, okay? Especially the first time, but... you have to trust me.

Stay still, and I won't poke you in the eye. [giggle]

Come on... there you go.

[intimate whispers and quiet conversation throughout] Stay right there... keep your eye open...

Shh-sh. Don't panic... [giggle] It's okay.

You want to be pretty, right? You want to be sexy...?

Turn yourself on? [soft laugh]

There...

That's good. See? That wasn't so hard.

Let's do the other one...

There... good. Oops oops... Sh-sh... [whispered] sorry!

Darn it! I told you I wasn't gonna do that. [giggle]

Okay, good.

Now, mascara... [sigh] but you know what? [considering] Mmmm. I'm gonna curl your eyelashes first, hold on...

[to herself] Where is it?

There! There it is!

Here... This is an eyelash curler.

Just relax... I know it looks scary, but girls do this all the time, okay? I just did it this morning.

It's gonna pull on them a little... but that's okay...

Now just hold still.

Good. Perfect!

See? Now they're all curled upward and facing the right way. They're going to look really good when we get mascara on them.

See my eyes? Yours are looking a lot like mine now. We just need to do your lashes.

Now stay still... or I'll poke you again, okay?

[reassuring] Good girl...

Yeah...

[earnest—there is NO mocking or dominance here] Good girl...

So pretty.

[concentrating] I like this brand cuz it doesn't—it doesn't clump... You know...

I'll leave it for you, okay?

There! Yeah, that's great!

Now listen... eye makeup is everything, okay? I mean, that and lips, but we're going to get to that in a second.

It takes a while to learn how to do it, but if you don't do anything else... learn how to do your eye makeup, cuz that's what guys look at—I mean, girls too—whether they realize it or not.

Just a little tip... girl to girl, okay?

Now... what color for your lips... let's see.

I think just a glossy flesh color will work really good—with maybe just a tiny bit of pink.

I think I've got something like that in here.

We want to shine them up you know? Make them look a little thicker?

Here... Go like this... pucker your lips a little.

A little wider.

Good...

Mm-hm... awesome.

Now the top, with your little cupid's bow there...

You have pretty lips...

There.

Good.

Okay... now rub them together...

Like this... [rubs lips together]. Like that.

There... good!

Oops... Just a little more, here.

There!

God, you are so pretty!

Who knew! Like... I don't think you need anything else. You have such good skin! Maybe a little eye-brow work, but we can do that next time!

[NOTE: Slowly coming back to more normal level conversation]

Seriously!

Here... look at yourself in the mirror.

Look at me, and look at yourself.

Do you see a big difference there?

Like, I'm smaller, but that's it, right?

You're such a girl!

Look at you!

Your little bob haircut! [giggle]

You're like... really cute... but... kinda slutty!

It's perfect though!

The only thing left is your heels.

Yeah, well, I know but.... I kinda snuck into your room before I left and checked your shoe size. [giggle]

Women's sizes are different, but that's why we've got google, you know! Anyway, I kinda picked some shoes up for you!

Here... see?

Aren't they cute?

They're tall, so they're going to take some getting used to. You'll feel like you're about to tip forward all the time, but you'll get used to it. Just, trust me.

But do you like the straps?

Yeah!

Yeah, heels kinda suck. I mean they're kind of uncomfortable, but they tighten your calves up, and like... push your butt out too.

That's the point.

That's why girls wear them. [giggle] Believe it or not.

Come on, put them on.

There you go.

Okay....

Yeah, they just buckle in... easy-peasy.

Okay, now stand up.

Oop... careful.

Right?! You feel like you're gonna fall on your face, right?

That's perfect... that means you're doing it right. [giggle]

No, truly!

Take a few steps.

[laughing] You'll get used to it, I promise!

God... you are so sexy—look at those legs! You look better than me!

You do, though!

Oh, stop it... I'm just...

I'm lucky... like you said, okay? I'm a girl.

But now you're one too! Isn't that cool?

Hm?

Well, yeah... you still have a penis, but.... [reassuring] You don't have to think of it that way.

You can think of it as your clitoris... you know?

I mean...

[she 100% means this] I know it's not the same, but... we're really not that different. Not really...

Seriously.

You know those guys I was mentioning before?

The guys who look really good in the club?

A lot of those guys? They don't really care...

I'm serious. It's true!

I'm not bullshitting you!

Look, a lot of girls like me? We've got a lot of stuff going on. Like we want to be sexy, but we're really worried about being respected—because we're not a lot of the time. We like sex, but ... we don't want to be thought of as... just... sex objects, you know? It sucks. And sometimes that kinda means we push and pull against guys... Like... we want them to like us, but we keep our sexiness at arms reach, I guess.

I mean, you wouldn't know that by the way I dressed *tonight*, but... [giggle]. It's hard to explain.

And I know you get it. You want to be respected too, but... I think it's okay to *want* to be feminine... To *want* to be seen.

Being trans must be so scary... I mean, you have to be careful just like all the girls do, but ... I don't know. All I'm saying is that I KNOW there are guys out there, and girls too, who understand that trans girls just... they want to be treated like girls. They get it... and they like it. That's all I'm saying.

And when those girls look like YOU do? Look, out!

I'm serious. If you went to the club with me tonight? We could get you laid like that. [snapping fingers]

Guy or girl... it would happen. Guaranteed.

I mean, not that that's what you want. I'm just—I'm just saying... I'm just talking...

I mean, you wanted to look like a girl. You wanted to be a girl... and I'm just telling you, you do! And you *are*!

Hey... I know I'm probably messing all this up. I'm kinda dumb about this stuff, but...

If you wanted *me* to treat you like a girl from now on? I would... you know?

I know it's complicated, but... you don't have to look like this to be a girl.

Still, I can only guess how important it is to you to look the part.

Look at yourself.

Look at how pretty you are...

And even if you weren't... Even if you never dressed up again. If you feel like a girl. You're a girl... okay?

You can *be* one of us, if you want.

It's okay by me...

Oh no... See? I said it all wrong, didn't I?

No, but you're crying!

Please don't cry, you'll ruin your makeup... [giggle]

Awww, I'm sorry! I just wanted to make you feel good!

Here, give me a hug!

[squeezing her in a hug] It's okay.... It's okay.

I did good?

Really?

Oh, you're welcome! I mean it, okay?

I mean... I know I was kinda pushy about it. News flash... I'm kind of a pervert. [giggle]

But you're my friend, and I wanted you to feel what it was like. I think you're really sexy like this... And a lot of other people will too...

So... I know this is probably right out, but... you wouldn't want to go to the club with me tonight, would you? [giggle]

No, no, you don't have to. [laugh]

But... do you feel sexy, though?

Does this turn you on?

Well... Uhm...

[tentatively] Do you want to do something about it?

No no... I mean... do you want to touch yourself?

It's okay by me if you do...

Think about like... guys, and girls too.... And how they'll react to you?

I mean... that's what gets me anyway... When I dress like this? The way they look at me... When I feel like they want me...

I mean, maybe for you it's different. I don't know. I don't know what's in your head, but... I kinda want to see you touch yourself.

Please?

I want to watch my new girl cum...

Come on... please?

Sit back and spread those amazing legs and... touch yourself....

It's okay... go ahead... [encouraging] I'll do it with you, okay? I mean... if that's okay.

Here...

See?

[whispering / intimate] Good. Good girl...

That dress... those heels... your gorgeous eyes...

Think about it...

Be a girl and touch yourself...

Oh... thank you....[heavy breathing]

You're pretty too.

I don't know... [giggle] I don't totally understand it... but....

Watching you...

You make me You make me turned on to be a girl...

[breathing, moaning—building] Come on, lets be girls together... okay?

[moaning, panting] Let's be girls and come together.

Oh... [moan] oh my god...

I'm so wet...

Good girl...

Spread your legs...

Touch yourself

Oh... good girl...

Are you ready?

Be a girl with me...

[almost there] Cum with me...

Oh... oh... OH... GOD!

[she cums, moaning, breathing... authentic and unrestrained – improv a couple seconds]

[breathing... recovering]

Oh... wow...

That is so.... strange... [joyful giggle]

Did you cum? [soft laugh]

Oh... here here... let me get some tissues...

You don't want to get it on your sister's dress. [giggle]

Here...

It's okay... It's okay...

Shhh...

[comforting] Hey... hey...

Why are you crying?

I enjoyed it... truly!

[authentic / compassionate] Aww, sweetie. You don't have to thank me! I didn't *do* anything... I'm just being a perv. [giggle]

But you're welcome...

You're so welcome.

It's okay... Shh.

It's okay. [giggle]

I've never been with.... a girl like you before.

I don't know... I mean, I still *really* like guys. I don't think I'm bi, but...

I guess you helped me... understand... you know what you were talking about? What it feels like to turn yourself on by just... Being a girl, you know?

Aww. Well, you made me feel sexy too.

So strange... right?

But really cool.

No no... Thank YOU...

Thanks for sharing that with me...

What an honor, right?

You know... if this is how you really feel, I think it's okay to tell your sister.

And your parents too. They're really nice people, and I think they'll understand.

But... whatever you decide, you're safe with me, okay?

I promise I won't say anything. To anyone.

Ok, well... anyway...

Maybe this is too weird, but... do you want to just sit and watch a movie with me?

We could order pizza...

You could change back, or...

You could be a girl or a guy... or both... It doesn't matter to me. You're still my friend.

Okay! I'll let you get changed then. And I'll order pizza! Pepperoni, right?

See? I remembered!

Cool!

Okay!

Hey... you know what? You might be the bravest girl I know...

See you in a few...
