[SYNOPSIS: You (the listener) are a single older man who lives in a cheap apartment near a university campus. The complex you're in has a lot of students in it, and one student in particular (the speaker) has taken to start regularly teasing you and playfully shaming you for being a creeper. One day you apparently went too far over the line and exposed yourself to her, and she kicked you out and told you not to call her anymore. But now, she's calling you, and wants your help. She wants you to be an outfit tester for her to check to see which outfit she should wear on her upcoming date. You are hesitant because she seemed so freaked out last time, and you're unsure where you two actually stand—but you also just can't resist her. As she models a few outfits for you, the two of you have a developing honest conversation that covers everything from why you live in the apartment complex, to whether you live a happy life or not, and you discover a few things about her as well. In the end, you both come to an honest and sweet understanding about what each of you wants, and how in the end, despite your age difference, and because of your unusual interlocking kinks, you are perfect for each other. In the end, she makes you eat her out, and then she sends you home... with a newfound understanding and excitement about your burgeoning, albeit unusual, relationship. **NOTE: This is a story about a teasy young brat, a willing older cuckold, and how their unique, developing relationship can bring happiness and validation to each other despite—or maybe even because of—the judgement of societal norms...**]

[PERFORMANCE NOTES: This girl is a natural dominant, but she is still in college and exploring her sexuality. When she gave him a "time out" before it was because she was a little freaked out, and now she's testing the waters with him again—realizing more what she likes and wants, and genuinely trying to figure out what he wants too. I encourage you to perform this in a way that walks the line between relentless tease, and genuine interest and conversation. She really does want to get to know him. She really does feel bad for freezing him out like she did, and she's interested in understanding what a relationship like this might be all about. Maybe it's wrong, and maybe he's too old, and maybe she's a pervert, but... she just wants to be happy no matter what other people think, and she secretly kind of admires him for his ability to just be himself despite societal pressure. Don't think about all that too much, though... in the end, she just enjoys teasing him, and getting off. Don't lose sight of the sexy!]

[SFX: ALL SOUND EFFECTS ARE OPTIONAL! If you want to avoid having to do the phone sound effects in the beginning, you can slightly reframe it as her knocking on his door and saying the same things—telling him to come over, she needs him. [SFX: Phone ring tone]

[OPTIONAL SFX: The following section should be as if the voice is coming from a phone if possible—if not, see Performance Notes for alternative opening]

Hey neighbor! It's me! What are you doing right now?

What?

Has it really been a month? Okay... If you say so... So what?

Oh, don't be like that... come on, I need you.

[exasperated] I know I told you not to call me... That's why I'm calling *you*!

Just come over here!

Come on, please?

[super sweet] I need you, neighbor... [giggle]

Pleeease....

[giggle] Yay! Okay. See you in a few!

Yeah, just come on in. The door's open.

Ok, bye! [SFX: phone hangs up]

[OPTIONAL SFX: door opening, door closing, walking down an outdoor sidewalk for a few steps, and door opens]

[Regular voice sound] Oh, hey neighbor! Long time no talk...

A month, right? Whoops. [giggle] Sorry about that. Come on in!

Hurry up, silly!

Uhm, can you close the door please?

Thanks... Ok, so what I need you to do is—[interrupted]

What?

What are you talking about?

Look, I already told you I was sorry about that.

So, what if it's been a month? Whatever! It doesn't matter!

I told you not to call me, and you didn't. You were a good boy... and now I need you, okay?

What's the problem?

Come on, don't be all butt-hurt! What else do you have going on in your life?

It's not like you have a wife... or a girlfriend. You live in this crappy apartment complex.

Well, yeah, but I'm a college student! I'm *supposed* to live in a shitty apartment. You're old, you have a real job, so what's your excuse?

Look, I don't have time for this. [cute whine] Are gonna help me or not?

Ok then... just sit down and shut up. [giggle]

Thank you... Geez! Now... what I need you to do is help me decide on an outfit for my date tonight.

What?

Yes, I'm serious. You're a guy. I need a guy's opinion.

Now, here. I've got them all laid out.

I've got this sundress...

Spaghetti straps... Right? [giggle]

I've also got this black evening dress. It's more formal, but... it's pretty sexy. And a couple others—

Hm?

[sweetly manipulative] Oh, come on, neighbor. I've got a date with this really hot ROTC guy in like... thirty minutes, and I want to make a good impression.

[playfully whining] But I want to get laid!

Come on, come on... which one should I try?

[pause]

You?! What about you?

Are you kidding me?

I'm not going on a date with you! You're like twice my age! Come on, that would be creepy!

God!

Now, be serious, which dress do you want to see me in first?

Which one?!

The black one? Yeah... that one is pretty sexy. Okay, hold on, I'll be right back.

Huh?

[laugh] No, I'm not changing in front of you!

You know the rules...

No! Just because you were a good boy and it's been a month doesn't mean the rules have changed.

You don't get to see me naked. Sorry.

Nice try... [giggle]

[disbelieving chuckle] Don't puppy dog eye me!

Yes, you are!

Do you think I'm stupid?

Look, I just need you to sit there and wait for me, creeper, okay? [giggle]

I'll just be right in here... you can still talk to me. Geez.

[SFX: voice partially muffled in the other room] Anyway, so what have you been up to the last month?

Yeah... I wouldn't have asked if I didn't care.

Have you been on any dates?

Why not?

Oh, come on, I'm sure there's got to be some age-appropriate women out there you're interested in.

You're kinda handsome. I mean... for an old guy. I'm sure you could get a date if you wanted to.

What do people your age do on dates anyway? Do you just go to dinner at 4:00pm or whatever? Home by 9:00? [laugh]

I know, I know! I'm just kidding!

But seriously, do you just plan on being a creeper for younger college girls the rest of your life? [giggle]

Is that why you still live in this apartment?

Oh, come on, don't lie to me.

Anyway, I'm done... here I come. Are you ready?

[SFX: Normal voice] Here... what do you think?

The skirt's pretty short, huh? Do I look hot?

Yeah? I kinda like the idea of the slinky black dinner dress, you know? Like sophisticated and sexy...

The problem is that I don't know where he's taking me. He's not exactly the talkative type... so... I could be overdressing.

Still... you can see my thighs... and guys like that right? It's like... he'll probably think that all he has to do is convince me to spread my legs a little bit and mission accomplished.

I mean he's super hot, so... [whispered] that might actually be all it takes... [giggle]

Hey... what's going on with you?

Are you getting hard?!

Because of me?

Oh good! That's good to know!

Okay, well I've got this sundress too... Oh! I've also got a super casual outfit... this tight-t-shirt and pair of short-shorts... And I've got these super cute cork bottomed heels that go with it. Should I try those?

What?!

Yeah, I know you like this dress, but I want to try the others too... to see if you like them better?

I can't just sit here modeling this dress for you all night, perv. [giggle]

I'll be right back. Geez...

[SFX: muffled voice as she changes]

So, anyway, how did you get to be such a perv anyway?

Huh?

Come on, you live alone in what is basically an unofficial college dormitory. Most people in this complex are students. It's super cheap... super close to campus. And you don't even work for the University...

I know you like to stare at the girls from your apartment. Is that why you have an apartment overlooking the swimming pool? [giggle]

I mean, you realize that's really creepy, right?

Oh, come on, I know you creep on the girls around here. You're creeping on me right now.

What do you mean I'm different?

Pfft... Come on. That's just because I let you do it...

But... News flash... it's still creepy. [giggle]

But... your mostly harmless, so...

Ok... here I come.

[SFX: Normal Voice] So... what do you think?

Do you like my butt?

Look at you! you're all panting with your mouth open! That's so cute!

I know the shorts are super-tight. What about the cork heels, though? That's the best part, right?

They're my favorite!

Right? Aren't they cute?!

This outfit's a lot more casual though... I just... He won't tell me where he's taking me!

Uh-oh... can you see my nipples?

Oops! [giggle] I guess I should wear a bra, huh? It's just... I'd have to wear a strapless one with this shirt though...

Mmm... pros and cons... not as slutty, but harder to access... I don't know....

Would you want to fuck me in this outfit?

Like... more than you wanted to fuck me in the black dress?

Come on... I'm asking! I know I called you a creep, that's why you're here! I need a creep's opinion. [giggle]

Black dress, or short shorts?

Dress! Okay! See? That's not so hard.

What are you doing?

Why are you fidgeting like that?

Oh, right... you're still hard, huh? [giggle]

No that's perfect! Just keep it in your pants this time, mister. That's why you had a month time-out, remember?

I do... It was sick... I mean, you're a grown man. You know better than that!

I did not! I know I'm a tease, but that doesn't mean you get to just take it out whenever you want. [giggle]

Ok...Ok... no, just... I've got two more. Let me try the sundress, okay? I don't think that's what I'm going with, but let's just check and make sure.

BRB, neighbor! [giggle]

[SFX: Muffled voice]

Look, I know you're like excited or whatever? But, seriously, keep your cock in your pants this time, okay? I don't consent to ... whatever it is you think you want to do with it, alright? [giggle]

[playfully judgmental] I swear to God, you pervy older guys... you know... Like... what do you guys do for fun besides lech over girls half your age?

You're too old for pickup bars, and don't try to tell me you're doing match dot com... like that's just ridiculous. If you are doing it, you're just creeping on cute girls and swiping left all day because you know you don't have a prayer with them, right?

Huh?

Me? Being mean? No, I'm not.

I'm just telling the truth, okay? There's nothing wrong with being a creeper. Like I don't mind it, obviously...

I just wonder... is this what you wanted your life to be?

Over 50, and living in a crappy apartment, surrounded by gorgeous college girls you can't touch?

No, I'm not judging you, I just... I genuinely want to know.

[SFX: normal voice] Are you happy?

Huh?

Oh... [giggle] Thank you.

Yeah, it is pretty cute... That's why I got it; you know?

I can't wear a bra with this one either, though, because of the spaghetti straps, and all my strapless bras are black, so... they won't go with it.

I kinda like the flouncy skirt, and wearing heels with this would be weird, so I'd probably just wear some flip flops or something?

What do you think?

Cute?

Cute, but not sexy?

Oh, come on, don't back peddle, it's not sexy right? Not compared to the others...

Ok, but... You're not like... shifting in your seat like you were before... so it's not as good, right?

Well... Hmm.... You *are* kinda drooly, though. [giggle]

[gently] What?

You like my smile?

[genuine] Aww... thank you.

I guess this dress does bring out my smile... cuz you're not really leering at my body as much, right?

That's good to know, though!

Aww, you're sweet.

Ok wait, I've got one more, okay?

It's... kinda skanky, though. Here... here it is.

What...

It's just in case I want to go all-out with this guy.

Here, see? Fishnet stockings... I've got some black platform heels... super tight mini-skirt, and... a crop top.

[wince] Yeah, I know, right? It's pretty slutty...

I PROBABLY won't wear it tonight, but... do you want to see me try it on?

I mean... we want to be sure... right? [giggle]

Hello...

I'll take that drool coming out of your mouth as a yes... okay? [giggle]

'K... just a sec!

[SFX: muffled voice]

So... you didn't answer my question before.

Are you happy?

No, come on, I really do want to know. For real. No teasing. No judging... just... just tell me. Please?

Yeah?

Really? Why?

I mean, how?

No, I believe you, I just don't understand. Come on, tell me.

[pause]

Wow...

Huh...

You know, I never thought of it like that...

Simple life... no debt... Not too much stuff...

Not too many obligations...

[to herself] Oh! Dang it!

Oh, it's these fishnets... they're a pain—get my toes stuck in the netting. [giggle]

Oh?

I didn't realize you had such good friends... I only ever see you alone...

From high school? Wow...

I don't have any friends like that.

Yeah, well... no big surprise, right?

I am kind of a bitch. [half laugh—but she's being genuinely vulnerable]

Yes, I am... come on...

No...

Look, I hung you out to dry for a month...

You were right... that was pretty mean.

I really do kinda feel bad about that.

Sorry, this is taking a little longer...

These clothes are tight... and complicated. Turns out... super slutty clothing doesn't cover as much, but it's way harder to get right... you know?

Just a little tip from a girl, okay? [giggle]

Ok, I got the heels on.

Just a sec, I'm just fixing my hair.

Hm?

Me?

Happy?

Hmmm...

Yeah... [almost a realization] I-I guess I am...

I guess I don't usually think about it.

Hey, uhm... I know I'm kind of ... a pain in the ass. And maybe you kinda like that? I don't know. You certainly seem to...

I mean, I don't actually want to be MEAN-mean... you know? That's just... that's not what I wanted.

But now that I think about it... you know what makes me happiest?

Teasing you. [giggle]

It's true... I kinda love it. [soft laugh]

So... do you want to see my last outfit?

Are you sure you're not gonna have some kinda old-man heart-attack, because I'm looking pretty slutty in here.... ? [giggle]

Okay... here I come...

[SFX: Normal Voice]

See? Pretty slutty huh?

Can you see the bottom of my butt? [soft laugh]

You want me to bend over?

See?

Do you like my fishnets?

I kinda like the way they feel... digging into my legs...

I don't know, it makes me feel... kinda trapped... you know? [giggle]

And what about my tummy?

I've been working out, trying to get it... tighter, more toned, you know?

Does it look okay?

You don't have to say anything....

I can tell... This is the best one, huh?

Do you think my date will want to fuck me?

Uhm....

[slightly unsure] D-Do you want to fuck me?

No, don't just tell me what I want to hear...

I'm serious...

Do you?

[surprised] Wait... You don't? Why not?

[pause]

[contemplating] Huh... Really?

Wow... but...

[sympathetic] You like the way I tease you, don't you?

You *want* me to be mean to you?

To tease you and then tell you no?

No... I think I get it... kinda...

I mean, it's kinda what I've been doing...

You're not like other guys...

You really do know what you want, don't you? [giggle]

You want me, but... you want me to be mean to you...

Is that right?

Wow...

You like me...

Like, for real?

That's crazy.

Wait-wait, hold on.

Wait... What if I *ordered* you to fuck me?

You would?

[giggle] [playfully] Of course you would... You can't resist me.

[seriously] I won't do that though... I mean... not right now...

[slightly flustered] Maybe never... Not unless I've got a good reason... okay? [soft laugh]

I know, I know... You don't want me to be nice... Uhm... I just... I want to ask one more thing, though, okay?

Do you want me to cancel my date?

I mean, I will... if you want me to? If it bothers you?

You don't?

Uhm... okay....

I mean.... I'm gonna wear that black evening dress.... And... he's probably gonna fuck me...

Is that okay?

Are you sure?

Alright... if you say so...

Wow...

This is what makes you happy, huh?

Okay... well, I'm really turned on right now... and uhm...

I'm all flustered...

I don't like... feeling flustered... It's not normal for me. I think it's because you... make me think about all this stuff I don't like thinking about...

It's your fault... [giggle]

[getting back into "character"] So... wait wait... why don't you...

Why don't you get on your knees, perv?

No... I'm not gonna let you fuck me. But... I'm gonna make you get me off.

Okay, creep? [giggle]

One benefit to this outfit? No panties....

See?

Now come here...

Get between my legs...

Lick my pussy, creep....

[breathing heavily] You dirty old man...

There you go... [panting]

Oh my god... [moan] You like me, don't you?

Oh god, you perv... [giggle]

Lick my pussy... [moaning , panting]

Get it ready for my date....

You're a freak, you know that? [giggling through her moans... moaning louder... getting closer]

Do you like being a loser, pussy wipe for all college girls?

Or just for me?

Oh... Oh god, I like you too. Thank you for letting me tease you...

Thank you for putting up with me...

Thank you for making me cum... OH my god!

[she cums... authentic, and vulnerable release—she doesn't hold back—improv climax and breathing a few seconds]

[breathing--recovering]

[playfully]. You freak! [soft laugh]

Oh... wow... [deep giggle]

Whooo... okay...

[fully back into "character"]

Get away from me, creep...

What are you doing? I'm finished. [giggle]

You know what? You know, you were a big help today.

I'm gonna go with that evening dress though. I can tell by the way you reacted that this outfit I've got on is way too slutty. [giggle]

So... I don't need you anymore, okay?

Look, my date's gonna be here any minute, so... I need you to leave.

Hey... are you gonna go home and jerk off... thinking about me and my date tonight?

No... it's okay. Do what you have to do, creeper... [giggle]

[with a little affection] I mean, it doesn't make you any less of a freak...

I promise... I won't shut you out for a month again...

[sing-songy tease] But you might wish I had... [laugh]

Bye, perv!

Thanks...
