NOTE: This is a sequel to “Thank Me For Being the Perfect Girlfriend”. While it’s a sequel, it stands well on its own. The first one gives you more insight into this unusual relationship, and offers more of a reason why he’s so accommodating to her.

[SYNOPSIS: You (the listener) have just gotten home from a double shift at two different jobs and you’re exhausted. Your girlfriend (the speaker) is very excited that you’re finally home, and makes you feel bad about wanting to go to bed right away so she can show you her new slutty skirt and top. She asks you to help her put her new heels on, claiming she doesn’t understand how, since they have straps that wrap around her calves. She gaslights you and manipulates you by teasing you with her body, her panties, and her smell as she tells you how much she misses you and how proud she is that you’re working so hard for her. Finally, she gets a call on her phone. It’s her girlfriend, who’s having a crisis with her boyfriend who she suspects in cheating on her. Your girlfriend invites her friend over to talk, and instructs her to use the private porch entrance directly into your bedroom. She makes you feel insensitive for wanting to go to bed while her best friend is hurting and needs help, and eventually tricks you into picking up her dirty panties and changing the bed-sheets in the bedroom before her "friend" gets there. When she finally does kick you out of the bedroom, the sounds coming from behind the door are anything but an innocent talk between two girlfriends. There’s a man in there, and your girlfriend is getting fucked by him. You hear their sounds of nasty sex for a few minutes, but you are too infatuated with her to say anything or stop her. When finished she opens the door again, out of breath. She ushers you into the now used bed and then asks if you don’t mind taking care of her with your mouth, cuz she’s super-horny. She sits on your face, as cum slides out of her and into your mouth, and down your cheeks. In the end, you both go to bed... and despite her mastery of cute manipulation, you both know exactly what this relationship is... and what it always will be. Despite sexual cruelty that sometimes almost makes you cry, you can’t resist her... and that’s just the way it is. **WARNING: Like the prequel, this is a dark story of a unique dom/sub relationship in which a girl mercilessly teases, cuckolds, and financially dominates her boyfriend. Although he’s a willing participant, and she occasionally checks in with him to see if he’s okay, she’s always been extremely upfront that this is all she will ever be to him—take it or leave**

it. He takes it... willingly, but nevertheless... some might consider the way she takes advantage of and manipulates him extremely emotionally abusive. Be warned...]

[PERFORMANCE NOTES: This script could be played in a bratty, entitled way, or a REALLY sweet way. Either way it's cruel. There's no getting around that. My suggestion is to embrace her cuteness, and embrace her confidence in her ability to tease and manipulate him, but provide occasional moments of both honest tenderness (when she checks in... occasionally when she says "thank you") and brutal subtle dominance (when she's being her most manipulative, and again... occasionally when she's acting entitled by saying "thank you"). Have fun and embrace the cute. That's my suggestion anyway! You play it how you want.]

[SFX: DON'T PANIC! This could be REALLY simple. The muffled sounds in the bedroom could be you LITERALLY going outside the room you're recording in, closing the door, and performing the sex scene there. It doesn't have to be fancy filters or sound effects manipulation (though it could be that too). The rest is just doors opening and closing and a vibrating phone, all of which are OPTIONAL and fairly simple. If you need any help, please reach out to me via DM on Reddit.]

Oh! Hi honey!

I'm glad your home!

Hm?

[sympathetic] Oh, you poor thing! You must be exhausted. Did you go straight to the warehouse job from the office?

Oh, I'm sorry, honey.

Gosh, I guess you *have* been gone a while, huh? [giggle]

I've been so busy myself today that I hardly even noticed.

Oh, you know. This and that.

I'm so proud of you for working so hard!

Anyway, I'm glad you're back because I missed you...

What?

Oh, this?

Yeah! It's the new skirt you bought me the other day.

Well, you weren't there, honey, you were working, but I used your credit card. [giggle] Isn't it cute?

Oh, no reason... I just thought I'd wear it for you, you know? As a surprise for when you got home....

Do my legs look good?

Yeah? I think it might be a little too short though. I mean... [giggle]

Look, if I even slightly bend over, you can see my panties.... See?

I'd probably get in trouble if I wore this in public. [giggle]

I'm not sure. What do you think? Do you think it's sexy? Or do I look too slutty?

Honey? You're not answering me.

You're mouth breathing, honey. Does that mean you like it?

Come on, I haven't seen you all day! Say something.

You don't want to neglect me, do you?

Thank you.

What about my top, do you like it?

There's not much to it, huh? And it's super tight. It was kinda hard to get into, actually. [giggle]

Honey, can you... do something other than just stare at me? You're making me self-conscious. Don't you think I'm pretty?

Aww...thank you.

Oh! Hey, can you help me with my new heels?

Because I want to show them to you!

Yes! Right now, silly! I know your tired, but ... I missed you. Don't you think I deserve to spend time with you?

But... I *do* need help. They're complicated. They're those ones with the straps that wrap around my calves, and you know I'm too dumb to figure those out. [giggle] Can you help me put them on...?

Please?

Oh, thank you honey.

Here I'll sit on the couch...

And you get on the floor in front of me, okay?

[slightly whiny] Honey... can you just do it please? I'm trying to do something nice for you.

Yeah... there. [giggle]

Here... here they are. Ta-da!

Yeah, they're so tricky! I tried before, but I don't get where I put my feet or... how the straps even wrap around. Can you figure it out for me?

You know how dumb I can be about this stuff. [giggle]

Oops... Sorry! I just flashed my panties at you, huh?

I didn't mean to tease you. I know that's frustrating, especially right before you're trying to go to bed. Sorry!

It's just... I can't help it. This skirt is too short... [giggle]

My legs are soft, though, don't you think? I just shaved before you got home. [giggle]

Do I have to have a reason? I just wanted to look nice for you.

Yeah!

Oops! Can you be more careful honey? I just painted my toenails too... I don't want to chip them, okay?

Thank you.

Ah! I see... like that. I get it.

Wait... can you do it though?

The straps need to go tight around my calves, right? All the way up?

Isn't that how it's supposed to go?

Yay. Okay. Yeah. I *kinda* get it. Can you do the other one now, please?

[slightly entitled] Thank you.

[embarrassed laugh] Gosh, I feel like... really slutty in this outfit. You don't think I'm slutty, do you, honey?

Okay... That's good.

Am I what?

Excited?

Oh. You mean... excited-excited?

I don't know... [bashful giggle] I guess...

I kinda like dressing up for you, you know? Why?

What smell?

Oh... oops... [embarrassed] I think that's probably me. Sorry honey. I mean, you are sitting right between my legs... [giggle].

You know I can't help that.

Are you finished?

Here, lean back a little I'll cross them for you... so I can show them off.

Uh-oh... I see now... You're getting hard, huh? [giggle]

I can see it in your pants.

Sorry about that, honey...

Can we what?

Oh. Uhm... No... Not tonight. I'm sorry, honey. I'm really too tired for that. I just wanted to show you my new outfit.

Do my heels look good? I like how tight the straps are! You did a good job!

Honey?

What's the matter?

Why are you pouting?

Is this because I said no?

[faux sympathetic] Well, honey... Aren't you tired too? You just got off a 16-hour double shift, and you have to get up really early in the morning. Come on, you have to be more responsible than that, right?

Maybe this weekend, okay?

Anyway, do I look pretty or not? You keep changing the subject!

Aww... Thank you. [giggle]

[OPTIONAL SFX: Phone vibrate]

Uh-oh... that's my phone. Who would be calling this late?

Just a sec, honey...

[NOTE: This phone section is earnest, and sweet, with a *hint* of flirtiness and submissiveness that she doesn't show to him—careful not to give away too much]

Hello?

Oh, hi!

[earnest] Oh... you poor baby.

Yeah...

Oh my gosh! Of course!

You can definitely still come over.

No, it's okay. Why don't you come in through the back, though.

No, the double doors on the porch.

They go straight into my bedroom. [giggle]

Yeah, we can talk there.

Ok... bye!

[back to him] Sorry honey, that was one of my girlfriends.

She's been having a really hard time with her boyfriend lately.

Yeah, she's been suspecting something for a while, but I guess he's a really good liar. I guess he's been cheating on her, and he lied about it, like, tons of times, right to her face.

Can you believe that?!

I mean... I know *you'd* never do anything like that to me right?

Cheat on me with another girl?

Of course not! You love me!

Not all boyfriends are as perfect as you are. [giggle].

Yeah.

I love you honey. [giggle]

Uhm...

Anyway, she's really upset right now, and she needs someone to talk to. So...

I kinda invited her over to talk.

Yeah... right now. I mean, she needs me, I can't just say no, right?

Hm?

Oh, that.... Yeah, well I was thinking she's probably so upset she might not want to see any guys right now, you know? And since you're here, I thought she could come in through the back porch and just use the fancy new doors we just put in—that go to our bedroom, and we can just talk there. That way she doesn't have to see you.

Well... I know but... [slightly surprised he's being so insensitive] Honey, she needs me! She's in a really vulnerable place right now.

You don't want to be insensitive, do you?

It'll only be a few minutes, I promise!

I'll talk to her, I'll make her feel better, and then I'll shoo her out of here, and then you can go to bed, okay?

Please, honey?

Don't be so selfish. Just imagine what she's going through. You're doing something nice!

Thank you. [giggle]

Oh, uhm.... The only thing is...

It's kind of a mess in there.

Yeah, well, you know me. I'm so bad about keeping things picked up. [giggle]

Could you help me clean it up a little?

You know... maybe change the sheets on the bed too?

Please?

Honey, you know what a disaster I am with bed sheets! I can't do it right! [pouty] I end up putting on the fitted sheet the wrong way, or inside out. And I do it crooked, and the sheets always come off the mattress corners.

When you do it, it's always so perfect. Besides I've got these heels tied to my feet. [giggle] I'd probably fall over or twist my ankle if I tried to do it. [giggle]

I know, but I'm all strapped in now. Can't you just do it... please?

Ok! Thanks...

Can we use the fancy sheets?

The ones I got the other day. The super expensive ones with the crazy thread count.

I know she won't see them, silly! But they're so luxurious! I just kinda want to sleep in them! [giggle]

And I figure if we're going to replace them anyway...

I might even sleep naked tonight if you do it...

So, can you?

Ok... thanks.

I think they're in the closet there.

Ok... what do you want me to do?

Am I in the way? Sorry...

Here... I'm just gonna sit down in this chair across from the bed so you can just do it, okay?

I know I'm stupid about these things, honey. [giggle]

Hm? What about my clothes?

Why should I? It's too late to change. Besides, she's my friend. She knows I wear this stuff sometimes. It doesn't bother her. [giggle] It's just girl stuff.

You're such an expert with sheets, honey. You make it look so easy!

You're such a good boyfriend.

You know, I'm so glad we remodeled the bedroom, and put the fancy porch and the garden out there. And I REALLY love my new jacuzzi tub! I know it was *really* expensive, and you had to get a big loan for it, but It's so nice now! And I feel like such a princess when I throw open the double doors in the morning and the sun streams in!

Yeah! It's like my own private veranda, with butterflies and hummingbirds and stuff! It's so refreshing!

Oh, and thanks for doing all the watering. You know if I tried to do it, I would just kill everything! [giggle]

Honey, can you reach over and make sure the doors are unlocked, please? I told her to just come right in.

Thank you.

Those sheets look really nice! Oh, can you pick my panties up off the floor too?

I know I just drop them wherever sometimes. [giggle]. Sorry...

I'll try to do better, okay? I promise. I know how hard you work for me...

By the way, you didn't mention anything about my hair? Don't you think it's cute?

Honey?

Are you going to look at it, or...?

Yeah! See? I got it cut today...

What do you mean, you don't notice a difference?

That hurts my feelings honey. I got it cut for you.

No, just about an inch.

Split ends! I mean, it still took an hour and a half... My hairdresser is such a gossip. [giggle]

Yeah, it was the normal price... \$250... and of course I needed to tip him. Why?

That's okay, right honey?

You don't mind, do you?

[giggle] That's what I thought. I know you want me to look good.

Uh-oh... I just noticed how hard you stills are!

Is that cuz of my outfit? [giggle]

Oh, can you still smell me too?

Oh! Oops! Sorry, I didn't have my legs crossed huh? I really don't mean to be such a tease. Sorry! [giggle].

Hm?

[sigh] Look... honey?

I already said, "no." And... I know you're not *trying* to be insensitive, but asking me to have sex with you while my best friend is in crisis dealing with her cheating boyfriend seems a little selfish, don't you think?

Yeah... that's what I thought too...

It's okay, honey. I know you didn't mean it. [giggle]

Are you finished picking up yet?

Yeah, I think it looks okay.

So, can you like... leave then? She's going to be here any minute.

Yeah, you can go lay down on the couch or something, but try to be quiet, okay?

I don't want to upset her.

You promise?

Hm?

What's that in your hand?

A condom?! Why would you give me a condom? [incredulous giggle]

No, but why would you—?

Oh! Wait, is this supposed to be for her?

Are you thinking she should go out and cheat on her boyfriend for revenge or something? [giggle]

Uhm... Wow... I guess that's *kinda* thoughtful in some weird bizarro man-world, but...

I am NOT giving her a condom... [laugh]

I mean, you're a guy, honey, so you probably don't understand, but that would be incredibly insensitive. Can you just put it away, please?

Thank you. [laughing at him]

You really do have sex on the brain, huh?

What's wrong with you, honey?

What do you mean it's for me?

Oops! I think I hear her....

Can you just leave now? Hurry up. I don't want her to see you and get upset.

I'll just be a few minutes, okay?

[a moment of honest seriousness—almost as if she's "breaking character" for a moment] [sigh] Hey, what is it?

You look like you're about to cry...

Honey... you like this... remember?

Remember that time a while back when we talked about this?

About boundaries?

Well?

Have you changed your mind?

[pause]

No?

Well, what's the problem then? Get out... [giggle—back into character]

Go on... let me talk to my girlfriend.

I love you honey!

[OPTIONAL SFX: Door closes]

[NOTE & SFX: The following dialogue is not meant to be understood. This should all happen behind the door, and in practice should be muffled to the point of unintelligibility. The major beats should be present though... when she begins to get flirty... and laughing, we should sense that through the door. When she begins to moan and breathe hard. And then, of course, when she begins to shout and moan more loudly as she gets roughly fucked, slapped, and even choked. We should hear the clear sounds of sex through the door, but not individual words. Optionally, you COULD bring in a male voice to have that dialogue opposite you, or you could just keep to your side of the conversation. Either way, she is full-on having sex with a man in her bedroom while her boyfriend waits outside....]

SPEAKER: Oh, hi there... [giggle]

[OPTIONAL] MAN: Hey baby...

SPEAKER: [flirty] I'm glad you called me...

[OPTIONAL] MAN: You look hot...

SPEAKER: Oh, you think so? Thank you... [giggle]

[OPTIONAL] MAN: Nice house...

SPEAKER: Thanks. Yeah, it's pretty nice... There's actually a lot more I want to do with it, but... I guess I can't have everything I want right this second [giggle]

[OPTIONAL] MAN: ...

[starts touching her]

SPEAKER: [gasp] Oh... wow... [giggle]. You have strong hands. Do you want me to suck your cock first, or...?

[OPTIONAL] MAN: You look like a slut...

SPEAKER: Oh... [breathing hard]. Thank you... Ow... [giggle] You're pinching my nipples...

[OPTIONAL] MAN: I'm gonna fuck you...

SPEAKER: [starting to pant and moan a little]. Oh... okay... you can do whatever you want.... I'm really wet....

[OPTIONAL] MAN: Shut up... I don't like girls who talk.

SPEAKER: Mmm... [moan] Yes, sir... Touch my pussy...

[clatter, as he tosses her onto the bed]

SPEAKER: Oh, wow.... [laughter]

SPEAKER: Ow! [giggle].

[OPTIONAL] MAN: Shut up, I said. Sluts don't talk...

SPEAKER: Oh! Wow... Oh my god... Sorry... I'm used to talking... My boyfriend can't get enough of it...

SPEAKER: Oooo! [giggle]. Are you gonna fuck me now....?

[OPTIONAL] MAN: Stay still, whore.

SPEAKER: [moan—giggle]. Yes, sir... whatever you want.

[he starts fucking her]

SPEAKER: [yips playfully] Oh my god... your cock is so hard. [moaning, and grunting as he fucks her harder—this is what we hear through the door, and her moans and grunts should be over the top, and easily heard—indicating how hard, and roughly he is fucking her]

[OPTIONAL] MAN: Stupid slut!

SPEAKER: Ah! [panting, grunting, building intensity]

[OPTIONAL] MAN: [Hard grunts]. You like this, slut?

SPEAKER: Yes! Fuck me harder! Oh, choke me.... [choking sounds, and then a gasp.]

[SLAP]

[OPTIONAL] MAN: I'm gonna cum, you slut.

SPEAKER: Oh, yes... come inside me... [panting, grunting—building intensity, almost there]

[OPTIONAL] MAN:[groaning, loudly... grunting in time with his thrusts, and then...]

[OPTIONAL] MAN: [Loud grunting as he cums inside her]. Oh... Oh fuck. You dumb fucking bitch.

SPEAKER: [less intense grunting, she is not cumming, but she is responding to him cumming]

[OPTIONAL] MAN: [groaning, recovering]. Thanks whore... I needed that.

SPEAKER: [flirty]. Ooo... You're welcome... [giggle] Thank *you*!

SPEAKER: Ow! Are you leaving already?! [giggle].

[OPTIONAL] MAN: Nice cunt... Thanks, baby.

SPEAKER: Sure... [giggle]. Anytime... See ya!

[SFX: muffled door closing]

SPEAKER: Whoo! [giggle]

[NOTE: Muffled sounds end here, now it goes back to normal dialogue]

[SFX: Door opens]

Oh! Hi honey! [breathing a little hard] I thought you'd be napping in the living room by now. [giggle].
What are you doing out here?

You weren't eavesdropping, were you?

Oh, okay. I thought not. Of course, you wouldn't do that. What am I thinking? [giggle]

Anyway, it's okay to come in now. She's gone. [giggle]

Oh, yeah, she really needed me. But I think I made her feel better.

Yeah. [giggle]

Huh?

What about my hair?

Oh! Is it messy now?

Wow... I wonder what happened! You know how silly I can be sometimes, honey. Who knows what I did! [giggle]

Oops! Yeah... those are my panties on the floor again... sorry. I *just* took them off. Just Trying to get ready for bed, you know?

Oh... I hope you don't mind, we just sat on the bed to talk. That's why the sheets are all messed up. [giggle]

Come on, get in bed! You need your sleep!

Yeah!

There you go....

Let me just take off my heels.

No thanks, honey, I think I've got it.

This is actually easier than I thought... [giggle] I'll Just take my skirt off, and my top.

There... [satisfied sigh]

Do you like seeing me naked? [giggle]

Yeah, I guess I am a little sweaty. Those clothes were really tight, you know. And I was kinda stressed about my friend, so that's understandable.

[pause]

Uhm...

Honey?

You know... dressing up for you like that... it did make me kind of horny...

Is there any way that you could... you know... do something about that?

I know you're tired, honey, but I'm horny!

Insensitive?! What do you mean?

No, but that was before! She feels a lot better now.

I mean, we have to live our lives, right?

Please?

You can just lay on your back. You don' have to do anything.

No no... I don't want your cock, silly. Your mouth, honey.

You know how much I love your mouth... [giggle]

Please?

Here... Just stay there.

Yeah, come on... I'll just get up here, and sit down here, and you can lick it, okay?

Please?

[heavy breathing—slight moan]

Shhh... Just shut up... Stick your tongue out...

[moan] Thank you...

Yeah... good... that's good.

Shhh... I know it's messy, honey... just... keep licking me, okay?

[panting] yeah, there...

Good...

[panting] What do you mean?

There's nothing in there... I'm just *really* wet, okay? [giggle] You know how I get...

[slight frustration] Just...don't worry about it... just let it run down your cheeks... [moan—panting]

Just lick me... Come on, lick my clit...

Just swallow it then... I said it's fine!

Shhh... lick me harder....

Harder, honey... I wanna cum...

Ahh....

Oh my god, yes....

Uhhh.... [moan] good boy...

[whispered] Oh my god, it's leaking down your face... [giggle]

Get your tongue in there...

Oh yeah...

Oh god!

Oh, you fucking loser...

Don't you like cleaning up my mess?

Don't you want to make me cum?

Oh my god!

Thank you!

[she cums—moaning, shaking, etc. Improv a couple seconds]

[panting—breathing—recovering]

Oh.... Wow, honey...

Gosh... I'm so tired now... [giggle]

[moving into bed next to him]

[sigh] Hoo....

Aren't you tired?

[moaning—settling in]

Uhm... honey?

Before you go to sleep, can you go wash your face?

Yeah... that smell is gonna bother me all night... Please?

[giggle] Thank you...

[groggily] Wait, honey? I know I don't say this enough... and I want you to really hear me...

Thank you, honey...

[sleepy] Thank you for being the perfect boyfriend. I don't know why you put up with me...

[whispered, almost asleep] But I love you...

Now, go wash your face and let me sleep. [soft laugh]

[regular breathing—sleeping]
