Dummy tag, Gonewildaudio, audio script, F4M, Script Offer, fdom, rape due to somnophilia, sweet, honest, breeding, mild self-degradation, emotionally abusive parent, validation, infertility, creampie, new relationship, L-bomb, exploration of kink as a vehicle to deal with real life trauma, adults

**TAG BREAKDOWN:** *Some of my audio scripts do not follow the “listener as active participant” paradigm, and even when they do, some of the tags I call out above are in reference to the listener and some are in reference to other characters in the story (including the performer). In order to ensure clarity about specificity, and in hopes of fostering an environment of inclusiveness, the following is a breakdown of the tags in this audio that apply to the listener, and those that do not.*

**TAGS THAT APPLY TO LISTENER:** [F4M] The listener presents as male with reference made to his cock [rape][somnophilia][l-bomb] The listener is asleep or half-asleep through most of the audio, and the speaker has sex with him in this impaired state. Though it’s likely consensual, the rape tag must be included with somnophilia. The speaker tells the listener they love them once.

**TAGS THAT APPLY TO NON-LISTENER CHARACTERS:** [F4M] The speaker presents as female with reference made to her vagina. [fdom][rape][somnophilia][breeding][mild-self-degradation][emotionally abusive parent][infertility][l-bomb][creampie][exploration of kink as a vehicle to deal with real-life trauma] – The speaker is hiding a lot of emotional troubles—including an emotionally abusive parent, and her personal struggles with infertility. She has a breeding kink, and muses about why during the audio—she also engages in it directly with the listener.

*Thanks to my friend BeegeeWanders, who’s beautiful mind inspired certain aspects of this story.*

**[SYNOPSIS:** You (the listener) have been dating a woman you really like (the speaker) for a while now. She’s been a little aloof with you, though, and is clearly no stranger to “no strings attached” relationships. One night, though, she starts talking to you while you’re sleeping, revealing some of her most guarded feelings and secrets, even though you probably (?) aren’t awake to hear them. She talks of her emotionally abusive mother, hints at some of her past relationships, and even reveals her inability to have children while at the same time telling you about a breeding kink she has that’s related to that. Ultimately, she’s “revealing” all this to you because she likes you... a LOT, and she’s scared of how you’ll react to her if she told you everything in the light of day when you were fully awake. Ultimately, she

wakes you up just enough to have sex with you and engage in a little tentative role-playing of her favorite kink. How much you heard of what she said, she can't possibly know, but in the end, when you fall back asleep afterwards, she works up the courage to tell you her biggest secret of all—she may be in love with you. **WARNING: This is a sweet, and plausible story about a woman who HINTS at some of the pain that infertility and other aspects of her life have caused her and talks of how she uses kink to cope with that pain. It's VERY subtle, but it's there, and ultimately this is an admission of love and affection for someone who may be the same kind of "weird" she is. If you'd rather not mix your kink with some real-life moments of struggle, this story may not be for you. but if you stick with it, I think the payoff is unique.**

[PERFORMANCE NOTES: This whole scene is whispered. There is a point where she gets a little louder when she directly addresses him to get him to turn on his back, etc, and when she actually has sex with him. But overall, this is a very quiet scene that is whispered or half-whispered throughout. The speaker herself has some bad experiences she's hanging on to. She quietly cries very briefly once during the audio, as a visceral sign she's struggling with her demons. But just like any healthy person, she knows that we all struggle with things, and it's perfectly healthy to do that. The rest is in the script. How you interpret her is up to you.]

[SOUND EFFECTS ARE OPTIONAL! : There are a few sounds of sheets rustling, and bed movement called out in the story, along with optional wet sounds. Ultimately, though, this script can be easily and effectively done with NO sound effects.]

----- START-----

[OPTIONAL SFX: Sound of covers as she slides carefully into the bed]

[whispered] Hey...

Are you awake?

[playfully accusatory] Are you pretending? [soft giggle]

[tempting] I'm really horny...

Hm... I guess you are sleeping.

Good... this'll be an easier conversation to have if you're sleeping... [nervous chuckle]

Don't worry, I'm not ... like... going anywhere. [giggle]. Not tonight anyway.

I like you.

I like your cock.

You know... when you first asked me out, I was a little bit... I don't know. I wasn't sure.

A lot of guys.... They look at me, and... I know they just want to fuck me.

And I know you did too. [soft giggle].

That probably sounds conceited. I just... I know guys like me.

And that's okay. I like them too.

I kinda work really hard on it... getting guys to like me?

Maybe too hard.

I try to look cute, and be sexy, and ... do all that girl stuff that most guys don't even think about... so that I look good, you know? So I smell good?

I like seeing the looks on guys faces... like the look you had—when I said yes? [slightly embarrassed laugh]

You know, that.... “maybe I can get with her,” look.

I could see how excited you were.

And that's okay, though. It's okay. I like it.

Otherwise, I wouldn't do it.

I like it when guys look at me like that.

I like that hungry look you guys get, when I wear one of my short skirts... and you see my legs?

Or when I wear one of my tight dresses, and you see the tops of my breasts. [giggle]

It turns me on...

But... there was something else about you too. I don't know.

Like, you got me? A little?

Like you're weird too...

[giggle] I don't know. Maybe not.

[pause]

I guess I'm really not the sweetest girl...

I mean, I want to be... sometimes.

I'm good at pretending I am...

But I'm not.

I'm weird.

You know what I like?

I like being a mystery.

I like that guys think I'm weird.

I think that might be why they like me so much.

Well... I think that's why they like fucking me so much...

You don't know what's inside here, you know?

Inside my pussy?

And then... when you guys do fuck me? And it's ... [giggle] so good...

You think you know me...

But...you really don't.

Cuz, I don't let you.

I just... I can't, you know? [hint of tears... but not outright crying]

[sniff] I don't know. [covering with a giggle]

Don't get me wrong though, you know.

I love having sex.

I LOVE getting fucked.

I like spreading my legs open.

And letting you guys have me...

It's the best feeling ever.

It's so cool to just see your animal brains just switch off. When you stop trying to figure me out... and you just... fuck me.

You don't think anymore... you're just fucking.

That's the best.

[sigh]. It makes me wet.

You're still asleep right?

Well, if you aren't you're pretty good at pretending.

[pause-considering]

Hey... uhm....

I've got problems, you know?

Like, I'm okay. I don't need to be ... fawned over or protected or anything.

It's just... well... my mom is kind of a bitch.

Nobody in their right mind would want to take me on because of her...

I mean, like... long term, you know.

She thinks I'm stupid... and a nobody...

She thinks I'm a pervert, and ... a slut.

She actually says that... to my face... [uncomfortable giggle] pretty regularly.

I hope I'm not like her...

[deep breath]

Anyway, I really do like fucking. I like flirting and letting guys get with me.

[quietly asserting herself] And I don't think there's anything wrong with that.

It's not like I'm lying to them or cheating on them or anything.

I was really up front with you, right? No attachments... no I-bombs?

And you were so good about it.

You were really patient with me.

Mom's right about one thing though...

I am kind of a perv.

I have weird... kinks.

I mean, nothing dangerous or anything, just....

Weird, I guess?

Stuff I never tell people about...

[pause]

I guess I just wonder... what \*you\* think of me...

Do you think I'm a slut?

Am I just some cute girl with a pussy, who's willing to let you fuck it? Or.... Am I more than that?

I've never said this to anyone else, but... [shaky sigh] You're the first guy who's ever made me feel like there... might be more...

[quietly crying—very subtle][sniff] This is stupid.

I'm being stupid...

This isn't me... Why am I so afraid to talk about this stuff when you're awake?

[shifting uncomfortably in the bed—mild frustration] God I'm horny...

[shifting gears—trying to be a little playful] So... Do you want to know what one of my perverted kinks is?

Now don't freak out. It's not really what you think it is, okay?

God, I hope you're still sleeping. [giggle]

Okay... [building up her courage]

I just don't want you to get the wrong ide—

No... I'm just gonna tell you.

It's... uhm... breeding.

Not like being pregnant. That's not it... It's more like... Well...

You know... when a guy... sticks his cock into me...

And fucks me...

And then he... cums inside me...

Like...using me to make himself feel good like that. It's so simple for him, you know.

Like just by doing that, he could take something that's a fundamental part of me... and... use it... without me having a say.

Like... he's not just fucking me. He's breeding me, you know? And I don't have a choice.

It's so... unbelievably invasive and yet it's just so easy for him. All he has to do is cum inside me, and he's taking my power away...

He's... tainting me. He's... impregnating me... and I don't have any choice.

Do you get that?

Do you get why that's so... powerful? And scary?

It's not that I want to be pregnant. Well, I mean that's not what turns me on. I just want to be bred.

It's weird, huh? [bashful giggle]

Anyway, it's just a fantasy. But I think about it a lot.

I'm thinking about it right now.

Like you're not even awake... but you could still breed me.

You could still take my whole life away...

Well, kinda...

[uneven breathing]. God, my fingers are all wet... [giggle]

[SFX: moving sheets, bedding, etc. as she snuggles up to him]

[a little louder—just enough to wake him up] ]Hey... [lightly kissing him]. I've got a bone to pick with you, mister.

Shh...it's okay....

Here... smell my fingers...

Do you smell that?

That's your fault....

\*You\* did that to me... [giggle]

No, just by lying here, and being you!

So... are you going to do something about it, or? [soft laugh]

Shhh.... You can keep sleeping... Where's your cock?

[giggle]. I wants it...

Oh, god there it is...

You like the way I smell, huh? You're getting really hard... [giggle]

Keep your eyes closed... turn onto your back. You can just sleep.

I'll do the work...

I just want you inside me...

[SFX: sheets and covers moving as she gets into position]

Shhh, you don't have to wake up...

Do you like feeling my weight on you?

Girls are soft, huh? [giggle]

One of my old boyfriends used to tell me that ... [giggle]

He was sweet. You know what I said back?

Boys are sooo warm. [giggle] [gasp as she puts him inside her]

[Whispered] That's where it goes... Right... in .... There...

Shhh, it's just a dream...

Just a dream...

Oh.... Fuck...

Oh my god... [OPTIONAL SFX: slow fucking sounds]

[heavy breathing] Oh yeah.... Fuck.

[giggle] I like putting my fingers in your hair...

[moan] I like touching it...

Keep your eyes closed.

Don't think...

Just let it happen. [breathing]

Ohhh... I'm just gonna fuck you... [groan]

[fucking sounds getting harder]

I don't want you to worry...

I'm safe.... You're not going to get me pregnant...

But I want you to pretend...

Pretend I'm a stupid girl...

Oh... fuck...

I want you to pretend I don't know any better...

Pretend I'm a slut... [panting]

And I want you to pretend... you don't care.

I want you to breed me....

Fuck a baby into me and make me deal with it...

Ohhh Fuck, don't give me a choice...

Fuck me....

Breed me...

Use me.

Like I'm nothing but a pretty hole to stick your cum into, and grow your baby...

Oh god....

I'm such a perv... [groan]

Maybe mom's right... [panting] I am a slut...

Oh, I'm gonna cum!

Oh fuck! I'm a stupid breeding slut! [she cums—this is admission of a fantasy she's never shared before... it's emotional and embarrassing, and powerful all at once]

[breathing – recovering]

Shhhh... don't talk... Don't talk... please?

I'm embarrassed enough as it is... [giggle]

Go back to sleep...

Please?

You're done with me now... right? [giggle]

I'm all filled up with your cum... So I'm not good for anything else...

Shhh, I said go back to sleep, didn't I?

[breathing heavily]

What... [giggle]

Why are you smiling?

You're not freaking out... Why aren't you freaking out?

Most guys would be...

[SFX: shifting bedcovers]

[satisfied sigh]

No, it's just a kink...

I can't... [trailing off]

Okay, here's the deal....

I can't actually have kids...

No, it's a thing. I've seen doctors.

Does that bother you?

[reassuring] No, it's okay. I've thought about it a lot, and I've decided I don't really want to get pregnant anyway.

But... I kinda like the idea of being... used that way.

I like that your cum is all up inside me... trying to find a baby egg that's not there. [giggle]

Is that ... weird?

I mean, I know it's weird...

I just don't know if it's because I like... hate myself?

Or ... I'm disappointed in myself?

Or maybe it's more complicated?

Or maybe it's really simple, I don't know.

It doesn't matter, though. [self-assured giggle] It is what it is.

I just like the fantasy. Like what if all I was is a stupid girl that men use to breed...

What if I just existed for making new humans.

I told you I was a pervert...

Uh-oh... I can feel your cum starting to leak out of me... [giggle]

I guess I should go wash up before I make a mess in the bed.

[slightly mocking] Just another thing girls have to do after guys are finished using them.

It's okay... [giggle] I don't mind.

I like it.

I can't believe you let me do that...

You're different, huh?

You're not afraid of me...

Hm.

Maybe... Maybe we can be weird together.

Wait... are you sleeping again? [soft laugh]

Aw. You're so handsome.

[pause] Maybe I \*should\* talk to you about this stuff when you're awake...

[sigh] Maybe I should...

Maybe you'll still like me...

I wonder.... Is it okay if I tell you a secret?

[shaky breath] I think...

[hesitant] [tiny whisper] I think I love you...

[light kiss]

[whispered] sleep.... I'll be here when you wake up.
