Dummy tag, Gonewildaudio, audio script, F4M], fsub, cute girl, older guy, discord, self-degradation, shared secrets, internet strangers, getting to know each other, nervous, exhibitionism, self-objectification, cum on my legs, I don't deserve a name]talk of [breeding, masturbation, aftercare, pictures, adults

[SYNOPSIS: A super cute girl (the speaker) meets up with an internet acquaintance (the listener) in a hotel room to see if they might want to have some fun together. She insists that she doesn't want to have a name, she wants to be "just a girl"—the same as her discord nickname, and she slowly reveals her secret self-degradation and exhibitionist kinks. She carefully coaxes him along, reassuring him that this is really what she wants, and that he makes her "nervous" (her word for being turned on). In the end, he fucks her, calls her, cute, and cums all over her legs. Afterward she offers to walk home with his cum on her legs and take pictures of herself in public like that. **WARNING: This involves a bit of an unsafe situation between two internet strangers where safety isn't perhaps as forefront on her mind as it should be. It also involves some fairly heavy self-degradation kinks on her part, which she takes time to reassure him about throughout the audio.]**

[PERFORMANCE NOTES: This girl is very cute, and she's much smarter than she lets on. She should be played completely earnestly. She's extremely honest about what she likes.]

[SFX: There are no sound effects called out in the script. You COULD add a door opening / closing at the beginning and end if you wanted, but it's absolutely not necessary.]

----- START-----

[very bashful –especially throughout the beginning. She’s a secretly VERY nasty girl, but she’s very embarrassed AND excited (in equal measure) about letting new guys discover her]

Hi... [small giggle]

Are you, uh... you? That weird squiggly name in discord I can’t pronounce?

Yeah?

Well... I’m me. [giggle]

Yep... I’m Just-A-girl. [giggle]

No, no... No real names, okay? [friendly laugh]

I mean... I’m a human, and you’re a human... right?

Oh, no, it’s not that... it’s just... I just want you to think of me as a girl. I’m just a girl... [giggle] Just like my handle.

And I don’t really need to know who you are.

My friend told me about you, and I trust her, so...

Yeah...

[awkward pause]

So...

I’m sorry, I’m just really shy. [giggle]

At least... at first...

I’ll get over it... I promise. [laugh]

I always get nervous too... meeting a new guy? Really nervous... [half whispered] Especially meeting older guys.

I kinda like that though, actually. [giggle] Being nervous, I mean.

Oh no, it's not because I'm scared of you or anything... it's just... it's because I really like guys, and I don't want to disappoint them.

[laugh] That sounds terrible, right? But... it's just the way I am.

Besides, it feels really... exciting... to be nervous?—doesn't it? [giggle]

Oh, you're not? Oh, right, why would you be nervous meeting me? I'm just a girl. [giggle]

Yeah, I'm probably nervous enough for both of us anyway.

[awkward pause, as she breathes]

So, anyways...

[as if just thinking of it] Hey, do you think I'm pretty?

You do?

Oh good! I spent a lot of time getting ready so... I like it when guys think I'm pretty.

[pause]

Wait, do you think I'm more pretty or cute?

Cute? Ok, that's good. [giggle]

I try to be cute, you know. The way I dress, and... do my hair and stuff?

Do you like my braids? [giggle]

Yay! Okay! Good.

[pause]

Wait. I'm not **too** cute, am I?

I don't want you to think of me as a little kid or something...

I'm nineteen, so... you don't have to worry about **that**...

And besides, my skirts a little too short for a kid to wear. It's really short, actually. [giggle] And I just bought these heels. See?

They're **really** red, and kinda... platformy, I guess... And they probably make me look kinda awkward cuz I'm so small, but I just wanted to show them off. Do you like them?!

I mean, you don't have to compliment me or anything! I *am* awkward!

I just want to make sure, like... I know you think I'm cute, but...

[cutely earnest] Do you think I'm sexy too?

Oh good! Whew. [giggle]. I want to be cute... *and* sexy, you know?

Aww... Thank you. [giggle]

Hm?

No... I'm okay! [giggle] Why?

No, I'm just really nervous! I get all self-conscious!

But, no, I *like* being nervous!

I think you're really handsome, and...

You're really muscular, and tall...

[aside] You look like you have really strong hands...

[focusing] Anyway... my friend said really nice things about you, so... to me you're kind of a celebrity!

Yeah!

I REALLY wanted to be cute for you, and.... I don't know... sometimes when I'm so anxious about meeting someone, I let my imagination get away from me... That's why I'm so nervous...

I know I'm not making any sense... I'm just... so excited! [giggle]

So, I guess... I know I'm s'posed to be safe... and careful, and stuff? Strangers from the internet getting together like this... And I want everything to be safe for you too, so... Can I just ask you a couple questions? And you can ask me questions if you want... And then we can both decide whether we want to... you know... keep going? [giggle]

I know this is awkward. Sorry!

Ok, I'll start!

So, uh... you like me, then, right?

I don't mean, uh.... You don't have to like me cuz you want to be friends with me or something. You're a lot older than me, and we just met, and we probably don't have a whole lot in common. And that's okay! What I mean is, you like me ... like... you want to uh... do things to me... right?

You know! ... Things! [giggle]

[kinda excited] Don't make me like... list them!

Not yet, anyway! I'm working up to it!

[nervous laugh]

Uhm... [giggle]

Well... What things do *you* want to do... [giggle]

Come on! See? You're afraid to list them too, huh?

It's because I'm cute, isn't it!? [laugh]

I bet you think I'm like super innocent or something, huh? [giggle]

Well... what if I am?

What if I was a virgin...? Would you still want to do things to me?

Come on ! Are you afraid you're going to ... corrupt me or something? [giggle]

You don't know?

[gaining just a LTITLE confidence]

Hm...

I'll tell you what. Instead of me asking you questions, how about we do this... I'll tell you a secret about me, and then you can tell me a secret... about you, okay?

You don't have to tell me anything super personal, or anything. Whatever you want to... okay?

That way you can get to know me, and I can get to know you, and maybe eventually we can talk about some of those "things" we're both afraid to say out loud.

No names, though, okay?

Seriously... I'm just a girl. That's all I want to be.

I don't... I don't like having a name.

I just want to be cute... okay? [giggle]

Okay, so... I'll go first.

My first secret... Are you ready?

[half whispered] I'm not a virgin... [giggle]

Your turn...

What... [giggle]

Well, it's true! Come on it's your turn!

Huh?

Well, duh! I *know* you're not a virgin. [laugh] That's not a secret...

Is it?

I mean my friend didn't get into details... but... I assumed! [giggle]

Are you afraid I'm so naïve that I wouldn't have known that?

No?

[disappointed] Oh... well that's too bad, actually. [giggle]

I mean... I AM a little stupid...

No, but I kinda *like* being stupid...

No, not like that... It's... it's complicated, I guess.

Anyway, it's my turn again, right?

Okay... uh...

Well, uh.... my nipples are hard. [giggle]

What do you mean?!

That's as much a secret as yours was! [laugh]

I know you can see them through my top, silly! That's my point!

See...didn't I tell you I'd get over my shyness once I talked to you a little more? [giggle]

Now tell me a good one this time...

[excited discovery] What?

You're a pervert?! [giggle]

Wait, wait... how?

No, I mean, how are you a pervert? Are you just a pervert because I dressed really sexy-cute and you like me and you want to do things to me? Or... are you a pervert because the things you want to do to me are [whispered] really nasty? [giggle]

Come on, tell me!

Both!?

Wow! That's kinda scary, actually!

[playfully] I mean, honestly! What's a cute, stupid girl like me supposed to think about that? [teasing laugh]

I'm just kidding!

No... you're right. That *was* a good one. I really want to know about those "things", though!

I mean... I *think* I do!

My turn again?

Okay, uhm....

I uh... [giggle] I like it when guys look at me...

Yeah... It makes me nervous...

That's why I dressed like this you know... So, you would look at me. My legs... my nipples... my butt...

I like making guys second guess themselves because they think I'm too cute to know what I'm doing... But they're such pervs that they can't help but look at me anyway... [giggle]

So how was that? [bashful laugh]

My secret! That was a good one too, right?

[bashful] Can I ask you something?

This is like, really personal, but... are you hard right now? [giggle]

Yeah?

That's good. That makes me nervous... [giggle]

I can see it in your eyes, though, you know...

That you've been feeling guilty about checking me out...

So? Why don't you look? Like *really* look.

Look at me... check me out...

No... not at *me*, silly! Not my face! [giggle] Look at my body...

Look at my legs... my nipples...

See? It's okay... [giggle]

Do you like them?

You want to do things to them, huh? [cute laugh]

Hey... can you smell me too?

[giggle] I'm just asking!

I mean, I am *really* nervous...

Hey... eyes down here, mister... keep looking at my tits, and my legs... it's your turn. [giggle]

Come on! Tell me about one of those things you want to do to me or something... and make it nasty.
[giggle]

[pause]

Hm... ok... well, I can think of one...

Do you want to hear it?

Yeah? Well.... Okay... So.... you're a leg-man huh?

I could tell when I came in... [giggle]

Either that or you're a skirt guy...

I knew it!

Hey, you don't mind that my legs aren't very long, do you?

I'm kinda short, so...

I think they're cute, though... don't you?

And I just shaved them for you, so...

Anyway, TMI, huh?

Since you like my legs so much...

I was thinking maybe... maybe you want to cum on them?

Yeah! You know... after you... you know... fuck me... or something [bashful giggle] you could pull out and... Cum all over them. Make them sticky...

Like... make a mess out of me, you know?

I mean, I've never done that before...

It actually sounds kinda gross, but... it also makes me nervous... you know what I mean? [giggle]

Anyway, you could totally do that to me... if you wanted.

Yeah!

No, I know it's kinda... perverted, but... [half whispered] doesn't it make you nervous too? [giggle]

Being able to do that to me...?

No, I know... but... I kinda like the idea too... It makes me feel like... [struggling to put words to it] I don't know! Like... uh... [giggle]

Wait... It's my turn anyway, right?

Ok... are you ready ... for my biggest secret?

Ok... well... keep looking at my legs though. Not at my face, silly!

I ... uh... [giggle]

[really embarrassed] I guess I like it when guys think of me as... just a thing.

A cute... toy, you know? [giggle]

Like... when you think of me, my body... and my legs as just... something to play with.

[whispered] It makes me nervous... [giggle] Especially when... you don't know my name.

It's not because I want to be like, safe or protect my privacy or something? I mean, I do, but... it's more because... my name's just not important.

I don't deserve a name...

I'm just a girl...

I'm just a pussy... I'm just a pair of legs...

I mean... look at my legs. Who cares who they belong to?

You like them, right? You like what's between them?

And the person their attached to... she's just a girl... Who cares about her?

I mean... I know. I get it... like... most women are really smart, and totally capable, and don't deserve to have their legs and tits objectified like that ... but I'm not smart ... I'm cute... and dumb... and ... I'm just a girl.

No, no... keep looking at them... Can't you smell me yet?

You can?!

That's me! This is who I am...

I dress like a toy... I smell like a slut... and I'm just a stupid, cute girl who doesn't have anything to offer except a pair of legs and a tight pussy... so who cares, you know?

Like... a lot of my friends, especially my dad, they get really upset at me because I don't seem to have any ambition or self-respect.

But that just doesn't make any sense to me, you know?

I *do* have ambition! I want to be cute... I want to be sexy.

I want to be a slut... for guys. That's what I want. I want to be good at it, you know?

Do you want to see something? All I have to do is spread my legs open... like this...

See?

That way you can see I'm not wearing any panties...

You can see my pussy.

Do you see how wet it is? That's where that smell's coming from. [giggle]

You don't have to worry about *me*. What my name is... Or how smart I am...

What does it matter? You can just look at my pussy.

You can even touch it if you want to...

And, oh, right! My tits too... Here... I'll show you... See?

They're cute right?

I just want to give them away... I just want to ... make guys feel good with them, you know?

Make guys hard with them?

Am I making you hard?

Yay!

I want to be cute... I want to be stupid... I want to be naïve and gullible...

And I want you to do things to me... nasty things...

Things you like! Whatever you want.

It's okay! I don't mind!

You can do whatever, just... tell me I'm cute... and call me a slut while you do it.

I want you to fuck my brains out...

And I think it would be really degrading, and nasty... if you came on my legs. [giggle]

Yeah!

So?

It's your turn.... [breathing heavily—panting]. Unless...

I mean, unless you're ready to just... do something to me...

[pause]

Go ahead...

What are you waiting for?

Look at me. You can see everything I've got... I'm just a girl.

Use me like a toy and cum on my legs... Please?

Make me a mess...

Make smell like cum...

Make it so I'm not cute anymore...

Make me nervous...

Pretty please? [giggle]

[panting] Oh! Yeah... pull my legs open... Take your cock out...

Fuck me... look at my shaved little pussy and fuck it...

I'm just a girl... I'm just a stupid, cute girl with a pair of legs.

Just fuck me, okay?

Oh, God!

[optional fucking sounds]

[moan] Call me a slut...

Come on, please? Call me a slut.

[giggle]

Oh god! Call me a toy...

Tell me I don't matter...

Come on, tell me!

Please?

Oh! Tell me I'm cute and fuck me harder! [giggle] [moaning]

Harder...

Yeah...

Make me feel like I'm stupid...

I want you guys to just... not care. I want you to get lost in my smell... and my tight pussy... and I want you do do whatever you want.

You can cum on my legs if you want...

Or you can just... not care...and cum inside me.

That makes me *really* nervous too... [giggle]

That you might get me pregnant...

A stupid, worthless girl like me... pregnant with some pervert's baby...

Call me stupid...

Call me a slut...

Call me cute... and cum.

Just fucking cum in me... okay?

Who cares?

I'm just a girl, I don't even have a name...

Oh... right, okay... you can cum on my legs... That's okay...

That's okay too...

Eww... [giggle]

Wow! You cum a lot!

[laugh] That's like... a really-LOT!

Are you like... super-human or something!? [giggle]

You really made a mess, huh?

It feels all slimy. [giggle]

Do you like it?

Are my legs cute?

It's all over my thighs, see? [giggle] And my knee there?

So, is it okay if I touch myself?

I want to cum too, okay?

I wanna cum with your... cum on my legs... [giggle]

[breathing hard—touching herself]

You made a really big mess.

I'm gonna have to walk home like this... [moan]

No, it's okay... [giggle] I want to... [panting]

I want to be dirty because of you...

You can think about me... when you get home...

You can jerk off and think about what a cute, stupid little slut I was...

Walking down the street... with your cum dripping down my legs...

Just a dumb toy with no brains...

Just some girl, you know?

[getting close] Oh my god...

I'm so bad...

Just the idea of you thinking of me that way... makes me so nervous!

Oh my God!! I'm gonna cum!

[she cums] [moaning--intense--transitioning into giggling]

[breathing / recovering]

Wow...

[sweet concern] Hey... are you okay?!

You liked it right?

Did I do bad?

No! No, it's okay!

I liked it!

I mean... it's gross, but that's what I like about it! Don't you get it?

[sweetly] I don't want you to worry about me!

I want you to get off to me... you know? [giggle]

Seriously, I'm fine! I promise. Are *you* okay?

Good. Okay!

Stop it! [laugh] I'm *not* smarter than I look! I'm just a stupid slut... and that's how I want you to remember me, okay? [giggle]

Look at my legs?

Eww! What kind of stupid girl lets a guy do this to her? [laugh]

I think I'm gonna go now...

Hm?

Why would you want to take me home?

I'll just get cum all over your car seat! [giggle]

I'm just a stupid girl... who cares?

Just leave me...

Just make me fend for myself

That's what I want...

That's what gets me off... I promise!

Hey... do you want me to take some pictures for you?

I could stop in front of a store window and get pictures of my reflection... maybe a couple of close ups of my wet legs? As it drips down? [giggle]

Do you want me to?

Okay... I will then. I'll private message them to you!

Hey...

Thanks for being a decent guy... even though I kinda don't want you to be.

Like I said...it's complicated. [giggle]

And I appreciate your willingness to put with me.

Hm?

You have another secret?

What is it!?

Really?

You like cute little sluts?

Wait... Do you mean me!? [giggle]

Aww! Thank you!

Well, you know what? I like pervy older men, so... [giggle]

My friend was right about you!

Anyway, I've got a long, gross walk home, and I need to take some pictures... so... [laugh]

Do you need money for the hotel room?

Are you sure?

I've got money... I can give it to you...

Ok, well.... Hey, if you want to get together again... just... think of something nasty you want to do to me... and message me. If it's too much, I promise I'll say no. [giggle] You know my discord handle now, so... "Just a girl?" Cool.

[sincere and hinting at her underlying intelligence] Seriously... thanks. That was fun.

Okay... [nervous] Here I go... Wish me luck!

Bye!
